

The love of my life, my servants from Africa, who were made slaves for white people around the world and called inferior people, today 2009 and forever, their coward ungrateful descendents blacks are athletically superior to whites around the world and Africa. That is my work, God! No Sin Goes Unpunished, The Vatican/Church!

I
God
Punished the World
For
Slavery
No one, was suppose to take

my servants from Africa and force them to do white people's work around the world, instead of my, God's work in Africa. The African Slaves became the only superior race, for overcoming something, I, God, did not authorize, Slavery of my Servants. I, God, and the entire human race, is inferior to my children, The African Slaves, who were my personal servants in Africa, fore I God, cursed the creation of your white image of you and Africans and made them inferior to my image of me God, in my dark skin. Notice that The African Slaves descendents, Blacks, are the only superior athletes of the entire human race, because of Slavery. That lets the world know, I, God, never instituted Slavery on my servants. No sin goes unpunished, white men, Africa, The Vatican/Church.

Slaving is the highest form of work and it was forced upon my servants from Africa. Slaving means spend many hours doing any task or work, physically or intellectually.

My writings explains the **Punishment, whites around the world received from God, for Slavery of God's chosen children, The Servants/Slaves from Africa. God said, no Sin goes unpunished. Africa, was punished for Slavery. Their punishment was under development and loss of physicality. Africans were never suppose to leave Africa as Slaves. White fore fathers were suppose to make their own white people their Slaves, that is why God allowed whites to see how Africans operated their country.** The world conspired against God's punishment of Africa and whites all around the world, to protect whites feelings around the world and to hide the fact that God adores his children, The African Servants/Slaves more than any human to ever live, even more then his so call son, Jesus.

Aids was created by stupid cowards scientist from different governments

around the world including the united states of America, in an attempt to destroy the superior physicality of Africa Slaves descendents, now called Blacks, Black American, African America, etc, which was received through Slavery, which is envied through out the world. The punishment whites around the world received for Slavery was physical inferiority to some of African Slaves athletic descendents, Blacks. Whites around the world, never learned how to Slave during Slavery, now called working hard, passion, dedication. All of these synonyms are inferior to Slaving. *African Slaves descendents are superior to the entire human race athletically. That is their gift from God for what their forefathers and mothers endured during Slavery. The human race was and is suppose to look up to and follow The African Slaves, work ethic, intelligence, courage, mercifulness, creativeness and ability to fight when abuse physically, mentally, and financially.*

All men created equal is a lie, some African Slaves descendents, Black, are born physically superior to the entire world. It is their gift from the Father, God, to his children, The African Slaves, for enduring Slavery, in which God did not institute.

God's work is never suppose to be buried, regardless of whose feelings are hurt! The most powerful historical event in history is Slavery, fore it created what Hitler could never create, a true physical and mentally superior race, The Slaves From Africa. They became stronger, physically, mentally, intellectually and spiritually, then any race, that will ever, grace this planet.

All children were and are, suppose to aspire, to be like God's servant, who were made Slaves from Africa, creative, intelligent, strong mentally and physically, merciful, and willing to fight when abuse physically, , mentally and financially, not like fools on television.

The Vatican/Church and Governments have conspired against my servants from

*Africa legacy, because they are dark
skinned. I, God, will strip The
Vatican/Church, necked and embarrassed
them fools. Now you stupid white people
allow your white children to look up to
Blacks, African Slaves descendents,
because they have shown to be superior to
the world athletically. Their physicality and
every thing else came from African Slaves,
who were God's servants in Africa.*

Our father God, promised us, his servants from Africa, who were made slaves, that he would punish the entire human race, for taking us from our home land Africa, to do white people's work. Our father God has shown the world, that **He loves us, but the world has conspired against it.** We servants, who were made slaves, **produce the superior athletes of the entire human race, called Blacks.** Our father God chosen one, will get the honoring, that we African Slaves deserve. **Created by God, through David Givins 5-20-09.**

The World's Conspiracy, Against Me, God, and My Superior
Children's Legacy, Who Were My Servants In Africa,
The African Slaves

No sin goes unpunished!

People will ask, how can African Slaves be superior people? Those who ask that question are the unintelligent, who has no analytical ability and they go to church/religious places everyday or often. Preachers, Popes, priests, rabbis, pastors and governments say that we are all God's people. **Then analyze history.** God allowed some of his light skinned people, who call themselves white, around the world, to rule over some of his dark skinned children around the world who were made slaves, and for hundreds of years, some of God's stupid so called white

people around the world abused that authority, by abusing African Servants/Slaves.
*****My so call white people have shown to be unworthy of the power I, God, allowed them to have over some of my dark children from Africa, therefore, the entire world will be physically inferior to the physicality of the best black athlete, the descendents of my chosen belovedth children, The African Slaves. ***The African Slaves, My children, have amassed a physicality over hundreds of years from physical work during slavery, that none of my other people will ever match.*** To put it simply, every human will forever be physically and mentally inferior to My children, The African Slaves, including my so called son, Jesus Christ, and some of their descendents Blacks, will forever be the superior athletes on this planet forever and your white children, around the world, will aspire to be like African Slaves Descendents, Blacks, **The mistake whites all around the world will make, is that they will now allow their white children to look up to Black athletes and entertainers on TV, who are inferior to their forefathers and mothers, The African Slaves, as is the entire human race.** !!!!!!! Whites of the world are the only people who think or thought they were and are superior to Blacks, Slavery made the entire white race of the world and Africans, physically/athletically inferior to African Slaves descendents.

Your white children and every other child are suppose to look up to my physically and mentally superior children, The African Slaves work ethic, bravery, intelligence, creativity and mercifulness, not Black athletes or any other athlete, nor any other cowards on television. The Black athlete is superior to all athletes on your planet, yet in still, they are physically and mentally inferior, to their forefathers and mothers, The African Slaves, as is the entire human race. No one on my planet, could ever match the physicality, intelligence, bravery, creativity and mercifulness of My children, The African Slaves, not even my so called son, Jesus.

No sin goes unpunished! I, God, punished the world for Slavery.

African Slaves descendents, Blacks, around the world, are superior athletically to the entire human race, because of Slavery. That is my work, Joel Olsteen. I, God, never instituted Slavery on my Servants from Africa. I, God, don't hear nothing, from religion, about my plague on the world for instituting something, I, God, did not authorize, Slavery. *I, God, punished the entire human race, for taking my Servants, from the mother continent of my planet, Africa, without my authorization. Only African Slaves descendents are the superior athletes of the world! The white race and Africans who were not slaves must Slave/work hard night and day just to be half the athlete as the Blood line of African Slaves descendents, call Blacks, African Americans, etc. I, God, was treated inferiorly in my creation of myself with dark skinned, I God, cursed the entire white human race and Africans for that.*

!!!!!!! Obesity was never suppose to be a word spoken, had the world worked like the superior race, God's servants from Africa, who were made slaves. Notice the superioreset athletes of the world are not fat pigs. They work like the superior race, African Slaves, God's servants.

Analyze This

All of you parents allow your children to look after your other children at some point in time, hence, you give them authority to rule over your other children or child. What would you parents do if the child you told to rule over your other children abuse the authority you gave them, by abusing your younger children or child? What if they continued to abuse your child? Who would you leave your inheritance to, the abuser or the abused? That is why God gave some of the descendents of his chosen children, The African Slaves, physicality over the world, because of the abuse their forefathers and mothers took during slavery from whites, who made themselves physically inferior to African Slaves descendents, now called Blacks, around the world . The world continues to try to suppress the

physicality of Blacks, but I am God, I will always allow some of My children descendents, toward Blacks, to shine. That is the gift I gave them over the world, which is superior to anything else in your world. The African Slaves and my make believe Son are my only children, the rest of you all, are unfortunately, my coward people, for you inferior humans have not honored my children, nor my punishment to the world for improperly touching my children, The Servants From Africa, because you whites in power, and the Vatican, know the Slaves from Africa were and are special to me and you whites in power are jealous of the gift the Slaves from Africa, descendents, blacks, received from me God, so I God will honor my children. I God, am only inferior, to my beautiful, brave, intelligent, creative and merciful dark children, The African Slaves, as is the entire human race.

The world saw us hanging by our necks and they thought we African Slaves were inferior people, thanks, my descendent, for letting the world know, we killed 50 white men apiece during Slavery, before they caught us. We Africans were servants of God, in our homeland Africa, and we evolved into terrorist, in the United States of America, for America, were and are terrorist, themselves. By God, through David Givins. [08]

The Conspiracy Against God

Your governments around the world, colleges, universities, priests, pastors, popes, bishops, cardinals, preachers and rabbis were suppose to tell the world to try to emulate and work like my children, The African Slaves. Governments around the world, you are suppose to be a slave for your people. The people who elect you, are never suppose to be a slave for the government.

Pastors, I, God, said, No sin goes unpunished!

God despise every pope, bishop, cardinal, rabbi, preacher, pastor and priest, Joel Olsteen, Bishop Curry, Universities and governments for not telling the world about his superior children, The African Slaves and the plague God put on the world for slavery. Why do you fools continue to preach/lie about my so call

son Jesus Christ *who is inferior to my children, The Slaves from Africa, and he, Jesus, did not come close to taking the abuse my African children took from my coward human race.* You foolish religious liars, rabbis, preachers, pastors, popes, cardinals, and priest are suppose to tell the world about how my African children became stronger mentally and physically than their so called white masters and how smart my African children were and are. *You were and are, suppose to tell your congregations, your own children and the world, that they are to imitate the work ethic of my children, The Slaves from Africa, who were and are The Superior Race, not make belief like Jesus, Virgin Mary or inferior people on television.* I showed the world how to become elite, which is by imitating the work ethic of my children, The Slaves from Africa, but you all listen to other voices, *like religious liars,* cowards universities, governments, bishops, cardinals, popes, rabbis, preachers, priests, pastors, inferior television, and governments, who have joined together to suppress my children's legacy, to spare the feelings of whites all over the world.

You all have done more harm to your white children, and the world's children then you could ever imagine, by lying to them, about being superior to my children, The African Slaves.

The sins of the father falls on their children! The plague on the world for slavery, which has been buried by popes, bishops, pastors, priests, preachers, rabbis, Harvard, Yale, Princeton, Joel Olsteen, Bishop Curry, Bill Clinton, George Bush, Barack Obama, United States Congress, United States Department of Education and governments all around the world, headed by the original terrorist of the new world, The United States of America, is that some of My children, The African Slaves descendents, Blacks, will be physically superior to the world, **forever. I have shown you this through sports and the Olympics.**

Popes, I, God, said, no sin, goes unpunished!

Why do you foolish religious liars continue to talk about my coward son Jesus Christ, without talking about my physically and mentally superior children, The African Slaves. My son, who was under my jurisdiction, was given what ever powers he needed to complete his duties on earth. My Son did not feel any pain at

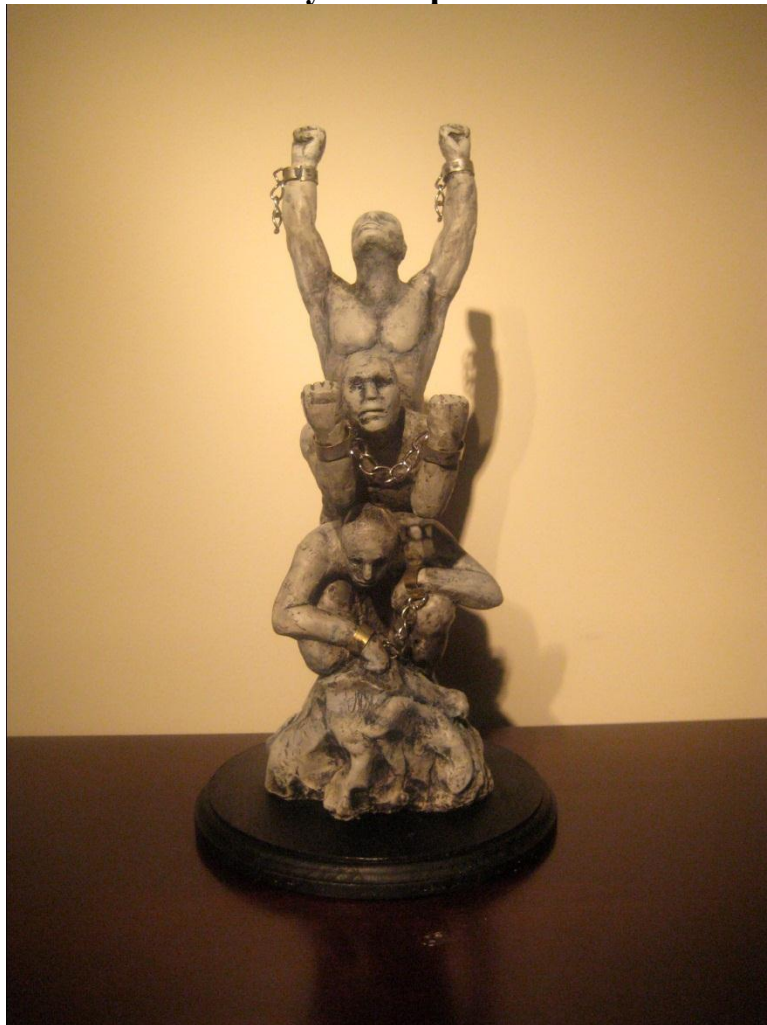

all nailed to the cross, because, He's My Son. Do you fools think I would send my son to a place I hate, to be abuse by some of my people I despise? Are you all that stupid!? Which one of you fathers would send your son any where to be abuse by people you hate? **Whites let their children die, in senseless wars, but not the rich.** Are you fathers smarter than me, God!? You coward Blacks and Whites, could never be my son nor my children, because you all think you are better than The African Slaves, who were and are my children. Even you Coward **niggers**, think you are **now** better then The African Slaves. Which one of you cowards can walk on water, make a blind man see, rise from the dead **or more importantly,** work, take the abuse, and over come Slavery, like My superior children, The African Slaves? **You can try to be sinless like my son and children, The Slaves from Africa. You all are to aspire to out work my children the Slaves, that is what you are suppose to be doing. But realize that you all black and white inferior people, will forever be inferior to both entities, my coward son Jesus and my superior children, The Slaves From African, who is the love of my life.**

The world was and is suppose to know the **truth** about my **Beautiful dark children**, The African Slaves, because none of my **other people** in the world, took the abuse my children The African Slaves took and survive, that is why some coward ungrateful Blacks, are as talented and creative, as they are. I, God, adore, my children, The Slaves From Africa, that is why I, God, continues, to allow some of their coward descendents, Blacks, to be superior to the entire world, fore you whites in power continue to challenge God and you whites in power have not honor my children, The Slaves From Africa, nor my work on my planet.

Every person or so call ethnic group is physically and mentally inferior to God's children, The African Slaves. The African Slaves, God's children will forever be the strongest and hardest working people to ever walk this planet. **The African Slaves descendents who are the best athletes in your world forever, are physically and mentally inferior to their forefathers and mothers, The African Slaves, as is the world.** Put the human race up against The servants of God from Africa who were made Slaves around the world and watch how inferior the human race turns out to be. The world was suppose to be full of superior humans, not inferior fat humans, inferior uneducated humans without high school diplomas, technical certificates and college degrees, not inferior criminals, drug

addicts, etc.

**Slavery made 60 million African Slave descendents,
Black, superior athletically to 9 billion
people on the planet. That is
how powerful
slavery
is!
Superior
Intellectuals are
slaves, spending hours and
hours studying and calculating problems
so that they can separate themselves from the rest.**

☹️All the hell we went through, for you ungrateful niggers, was not worth it. How could you stupid Blacks be made ashamed of what we overcame for your coward asses. You allow your Black children to worship fake heroes instead of true warriors, fighters, geniuses, creative, merciful and sinless people, their fore fathers and mothers, The African Slaves, who were God's servants in Africa. We fought for you coward Blacks to have everything, and you ungrateful niggers pay us back, with nothing. What a coward race!

Reverends, I, God, said, no sin goes unpunished!

I, God, see nothing but greed and coward followers in churches and those who follow churches who does not teach about my children, The African Slaves will be easily misled as so many of you foolish black and white followers have been **and your children will be mentally and physically inferior** to children who are taught to work and think like my children, **The Slaves from Africa**. No matter how much money you have, your child will not be able to compete with a child who works and thinks, like The Slaves from Africa. Every child is suppose to know about the hardest working and strongest people to every live, God's children, The African Slaves. Parents, this part of history has been buried to spare the feeling of whites around the world. The world's children have been given **false idols on TV** and in the entertainment industry. You see now, why so many of you fools and your children are misled and confused. You have been idolizing the wrong things and people. **The entertainment industry is using my name in vain. I'll get their asses. Religious liars are abusing my name in vain. I'll bust their asses too!**

Question # 1. How many of you still use cars that were first built?

2. How many of you still use computers that were first built?

3. How many of you still have cords on your phone?

4. Go to number nine.

5. How many of you doctors use procedures from the twenties?

6. How many of you wear clothes from the 30s- 60s?

7. How many of you listen to music from the 30s?

8. How many of you have a black and white television?

9. Point, everything needs updating, especially, the Bible.

Every religious book is out dated, especially the Bible and they will all be updated with this addendum that is applicable to every religious book ever written. Churches will no longer preach from the Bible or any religious book. These writing will be the preaching forever.

The world's history didn't stop when the Bible or any other religious book was finalized some thousands of years ago. There was a plague as a result of slavery, which was buried to spare the feeling of whites around the world and to gain riches. Every so call religious liar, university, government along with others, all conspired together and buried the plague on the world. God ask, how could you

White and Black inferior humans try to bury something that I instituted on the world for improperly touching my beautiful dark children, The Slaves from Africa?

The Church, I, God, said, no sin goes unpunished!

You all, have used the Bible and My name, along with MY so called Son's name, to hide behind the plague that I God, put on the world for slavery, which was that some Blacks, the descendents of My physically and mentally superior children, The Slaves from Africa, would be physically superior to the world forever and you see it in sports and still the world has kept quiet. What a coward world you have! What cowards you blacks and whites are! You all continue to lie to your children, but they know you are lying and that is one of the many reasons, they rebel against you. They were never given a chance to imitate the work ethic of the only superior human race, The African Slaves. When you all look at yourselves, you know you are inferior and is living a lie. You so call religious leaders/religious liars and the rest of you conspirators, are and will be exposed!

Every parent, no matter what so call color you are, or language you speak, you were and are suppose to tell your child or children to try to out work and think, My children, The African Slaves. I use the word try because no one will be able to physically out work nor out think My children, The African Slaves. The African Slaves showed the world how strong the body can become. White so call masters all around the world knew how strong the Slaves became and they buried this history. The effect of slavery has come full circle with the descendents of African Slaves, Blacks, being the superior athletes and entertainers on the planet. The cycle of life, those you abuse will eventually become superior to the abusers.

Can the world compete with the superior, coward and ungrateful black athletes, who receive physicality over the world from African Slaves, who have not been honored, not even their coward descendents have honored them? Whites in power, you have done a master job on breaking Blacks down, which is something your white forefathers and mothers could never do, to African Slaves. Only if parents no matter what so call color or language they speak, are willing to allow their children to try to work like the African Slaves, to try achieve some form of elite status. If you think your child or children are to good to become a slave to truly achieve some form of elite status, then your child will be forever inferior to children who try to work like The African Slaves, no matter how much money you have.

Preachers, I, God, said, no sin goes unpunished!

I'm not only talking physically inferior but also intellectually inferior. Smart people are slaves to learning/knowledge and intelligence. Are you willing to become a Slave to truly achieve some type of elite status?

Almost perfection would be a slave to athletics and knowledge/education. Are you willing to allow your child to become a slave to try to achieve some form of elite status!?

Why The Conspiracy against Blacks

This is why blacks around the world have been conspired against or hate by some of the other so call races. It's pure Envy. Part of the world is jealous of the physical gift and creativeness God gave some coward Blacks over the world, which allows them to easily dominate sports and other activities. The top and I do mean top Black ungrateful, coward athletes, don't have to work that hard to dominate a sport, where as a non descendent of African Slave have to work three - ten times as hard to compete against the top black coward athletes.

Its not blacks fault that they are superior to the world athletically. It is their inheritance from Slavery. It is, their true retribution for slavery. God didn't give Blacks money because God knows money is inferior to physicality. Simply, ask yourself this, why don't you see so called rich people children,

dominating sports? Money can't buy physicality, you have to **Slave to get it. White children around the world were never given a chance to learn how to slave during slavery and it is their white forefathers and mothers fault. That is how inferior money is to God's gift to some of the descendents of African Slaves. Every child wants to be an athlete. Athleticism is natural for children as play is for baby animals.**

This is how some Americans, white men and white women treated my creation of me God. How do you white women and white men think I, God, will treat your creation of your white children? My servants from Africa, meant everything, to me God! You white men choose African Slaves superior athletic children, Blacks, over your own white children. Who is the true inferior race?

Ministers, I, God, said, no sin goes unpunished!

Who is the blame for what was done to white children and the world, because slavery Hurt Whites as much as it hurt Blacks.

Its some of their white forefathers and mothers fault, for not allowing their white children to slave like African Slaves did during slavery, meaning

white children doing the same physical work slaves did during slavery for the same length of time.

***** For the record, white children around the world were suppose to be their own people's Slaves, that is why my Father God, allowed white men into Africa, so that so called white men, could learn how to operate a country and use their own people to develop their country. Africans, were never suppose to leave Africa, as Slaves. White men were never suppose to get anything from the forbidden mother continent of the world, Africa. This is identical to Adam and Eve Sin against God!

Your white forefathers and mothers killed your white children physicality. Your forefathers are the people you should despise and hate, not African Slaves, because I would hate and despise anybody who hindered me from competing against the world. The White forefathers and Mothers have not been given the blame nor taken responsibility for what they did to their children and the world's children during slavery. I will put the blame where it belongs, on their white forefathers and mothers around the world, who had African Slaves. They say blacks have to work twice as hard academically to show their intelligence, which is a lie, because Blacks are represented in every profession in the world. Well it turned out that the world has to work ten times as hard to compete athletically, against the top superior black coward athletes. Whites do not want their forefathers and mothers to be blamed for what they did to their own descendents(white children) and the worlds children. Their white descendents in power continued the lies and conspired for centuries doing more and more physical and mental harm to their children. Still today they hide behind the conspiracy, until Now!

Bishops, I, God, said, no sin goes unpunished!

The white forefathers and mothers around the world tried to gain some of the riches of the world using my children, African Servants/Slaves, but they gained a tiny percent of the riches of the world at the expense of their children's physicality, and they will never have enough money to buy physicality. As in the bible, you can try to gain the riches of the world and loose your soul, during slavery, white forefathers killed their children's physicality, for so call riches, which they never gain. White men were allowed to step foot in Africa to see how a country

should operate. When they saw My Servants in Africa doing physical work, white men were suppose to go tell the world to make their own people Servants. They were never suppose to use Africans as their Slaves. Had they did what God had intended them to do, which was to make their own people their Servants, there would not be a physical superior athletic race, now called Blacks, who are descendents of The African Slaves.

Harvard, Yale, Princeton, Oxford, and every university, George Bush, Bill Clinton, Barack Obama, churches, religions, media and the rest of you black and white cowards who suppressed the effects of slavery on the world, will be exposed.

Physical work is much harder than academics, that's why in 2009, most people are overweight, cowards and inferior humans. The African Slaves were *never* overweight! They were the hardest working and became the strongest people mentally and physically to ever walk on the planet Earth.

Cardinals, I, God, said, no sin goes unpunished!

The African Slaves fought and killed millions of white men for their freedom during slavery and God blessed those killing that were done by his children, The African Slaves. That is part of the true legacy of God's beloveth children, The African Slaves. The world has lied about My children and you all are coward and inferior humans for that, especially you religious liars and so call historian and academic institutions. What a bunch of jokers you are, Harvard, Yale, Princeton, Howard, United States Congress, popes, bishops, preachers, United States department of education, etc. No sin goes unpunished! African Slaves descendents are superior athletically to the entire human race, because of Slavery. That is my work, God! That is Evolution!, That is Resurrection!

Most people see athletes as elite people. Every athlete that ever lived is inferior to My children, The African Slaves physicality and mentality. Athletes train for hours and years, but they can't come close to the strength, speed, and

power of the African Slaves who trained for 10-20 hours every day and for hundreds of years, and that training became Childs play to them, just like sports become to a so call professional athlete or surgery, becomes to a Master surgeon. Slaves men and women mated together and their children were born physically superior to white children, around the world.

Science, genetic engineering, is inferior to the superior physicality of The African Slaves, and their descendents, Blacks. There will never be genes equal to the physicality of God's children, The African Slaves. Many scientists have tried to kill the physicality some Black were given over the world with crack, aids and other diseases and drugs. As they have found out, you can't kill what God gives, without kill yourselves or your children. Drugs and Aids have killed a lot of white people. It's just not reported.

Scared white scientists attacked Africa with aids, trying to kill what they thought was the origin of Blacks physicality, for they fear the physicality of Blacks in America. Blacks superior physicality over the world came from and through slavery fools, not from Africa. #####Notice that Africa, does not produce the athletes, African Slaves produce, nor does Asia, Europe, South America, North America, Australia, or any other continent!

99% of the superior athletes of the entire human race, comes from African Slaves, who were said to be inferior people. How is that possible? Its' God's Work!

Rabbis, I, God, said, no sin goes unpunished!

They were afraid of 5 billion Africans being as strong as those elite Black athletes you all so envy and covet in America. It was the worst nightmare of white governments around the world, fear of Africa, being the most populated

continent on the planet, with the strongest people on the planet. That is why white governments created aids, to try to eliminate my children's people in Africa. These white dumb scientist, thought Blacks superior physicality over the world came from Africa. I God gave superior physicality to them as a gift to my children, The Servants from Africa for Slaving and Concurring slavery. You can't destroy it. Only I, God, can destroy it! When you tamper with my work, you will destroy your own as I have shown with slavery(you killed you white children's physicality),hence they never learned to slave during Slavery and aids(it killed your white children also). Africa is punished, whites are punished, blacks are punished, and the entire world is punished, for Slavery.

Wasting Trillions of dollars by America's Government

* United States have built prisons and jails all over the country to house murders, rapists, robbers, etc, spending trillions on losers, yet nothing has been built to honor the Superior race, The African Slaves who worked harder then any race in history.

* Trillions is given in welfare to unworthy human, uneducated, drunks, drug addicts, etc, yet nothing has been done to honor The African Slaves.

* Trillions have been given to bailout irresponsible companies, banks, auto industry, etc, yet nothing has been done to honor the superior race, The African Slaves.

* Spending Trillions and misusing America's military. We step foot on a piece of property to protect anywhere in the world, we own it.

* Spent Trillions making Blacks in to a coward race because Slavery make whites of the world and Africans physically/athletically inferior to Blacks.

* **It's all the same, only the name have changed, from a slave to employee.**

**Slavery made 60 million African Slave descendents,
Black, superior athletically to 9 billion
people on the planet. That is
how powerful
slavery
is!**

Africans, who were treated like this with dark skin, never thought they were superior to God's white image. People with pale skin, white men and white women are the only humans who thought they were superior to other humans, because of their pale skin. What a Joke!!
Slaving/ your body of work, makes you superior to another human.

I, The Father God of the world, never instituted Slavery on my Servants, From the Mother continent of the my world, Africa, therefore, I, God, made the entire human race physically, mentally, spiritually and intellectually inferior to my children, The African Slaves and some of their descendents, Blacks around the world, will be the superior athletes of my planet forever and your white children will aspire to be like Slaves descendents, now called Blacks! No sin goes unpunished!

The Powerful Recipe for Athletic and Intellectual Superiority
When I decided to get an education I tried to out work the African Slaves not a doctor or lawyer, who also are slaves to their field as every top professional is.
After graduating from high school I was in some type of school, technical, Junior College, or University for 15 years, finally graduating with a degree in Elementary Education and **life**.

When I played basketball I tried to out work the African Slaves, not Jordan. I have mastered basketball. **Footnote. The only way Bird played in the NBA is because he became a slave to basketball. Bird was the worst athlete ever in professional sports, yet he is one of the top five greatest basketball players of all time, only, because he was a Slave to basketball.**

When I work out with weights, I try to out work the African Slaves, not body builders.

When I decided to take up tennis, I tried to out work the African Slaves, not Pete Sampras.

When I decided to take up billiards, I tried to out work the African Slaves, not Allison Fisher.

When I decided to take up golf, I tried to out work the African Slaves, not Jack or Tiger.

When I decided to exercise, I tried to out work the African Slaves, not an athlete.

When I work my two jobs and I'm a little tired, I think about the African Slaves

and how hard they worked to try to keep me going.

When I knew how little the African Slaves survived on, it made it easy for me to thrive during so call tough times.

I haven't gone to church in nearly twenty years, but I have always kept the three entities for superiority in my thoughts, God and his superior children, The African Slaves, who is my Savior and their experiences on Earth in my mind, along with education and that has made me one of the smartest people to ever live.

I analyze and meditate on the past, so that I can dominate the future!

Slavery of God's children, The Servants from Africa, will forever be the worst sin in man kind, fore Slavery created what Hitler could not do, create a superior, race, The Servants/Slaves from Africa, fore my father God never intended for any of his people to be superior to another. Since Slaves from Africa, was, and is view today, still, as inferior, God said, their descendents, now called blacks, African America, etc, will be superior athletically to the entire human race! I, God, said, no sin goes unpunished, so call fathers of a church.

I have been shown the three Entities that every human was and is suppose to look up to.

The Vatican, I, God, said, no sin goes unpunished, fore I, God, punished the entire world for trying to gain the riches of my world, using, my servants from Africa. My work is never suppose to be conspired against, no matter who feelings are hurt! There was never and there still isn't anything

superior about white men and women.

The Three Entities of the World

God- creator

models for the world to imitate.

The African Slaves

Who is my Savior and

Education

This is how God wants you to live. You are to put God first and foremost and work like his children The African Slaves *and fight when abused, which you coward followers of religions, are not doing.*

America and all governments are governed on the principles of Slavery. Simply list all of the thing you are forced to do and it will become clear.

I, God, punished the world, for stealing and abusing my personal servants from Africa , who were made slaves, to do work, for white

people around the world, instead of God's work in Africa. I, God, made the entire human race, athletically inferior to African Slaves descendents, ungrateful Blacks, because they did the work, white people were suppose to be doing for hundreds of years. I, God, never, authorize slavery ,upon my servants in Africa. The Vatican/Church, all conspire against my servants legacy, from Africa, fore they are envious of the love I, God, have shown to my servants, fore the Vatican, refuses to honor them. I, God, will strip the Vatican/Churches, Governments, Education, necked in front of the entire human race and embarrassed them as I did Adam and Eve.

Inseparable

I God, cursed the creation/image of all those involved in the atrocities of slavery, for my servants from Africa did not aspire to own or control the wealth or power of my world, like you white people of my world.

They won't tell you that My children, The African Slaves killed many so call white slave masters during Slavery. African Slaves were ten times as strong as white men, for white men did not lift weight during Slavery. Which one of you would not kill if someone abuse your children or you. The history of slavery is very powerful when you understand it because it explains so many things that are happening today just like the Bible. For example, there was a secrete deal made between Black leaders and white universities to integrate for the purpose of Black colleges to remain an inferior athletic program to protect the feelings of bigger white universities. Explain this, Blacks are the best athletes

in the world, why don't they have the best college football, basketball, baseball and other athletic programs in the world.

The best black athletes go to state schools or religious schools, which are really white schools. This deal was made to hide the plague on the world because Blacks would be view as superior because their small Black Universities would defeat larger white universities. They also did this to try to keep down the violence in the country. Black athletes make white athletic schools elite.

When I refer to African Slaves, I'm referring to the Slaves who spoke their native languages, who had chains on their bodies and didn't have an American name.
They will be honored in this country and world.

The only
subject not
discussed is
how slavery
affected whites.
Why!!

Slavery made whites and Africans athletically inferior to Blacks forever.

The Catholic Church, I, God, said, no sin goes unpunished!

Every human is inferior to The African Slaves. If you think you are superior to my children, The African Slaves, then you must be superior to their coward descendents, Black athletes around the world, who are superior athletically, to the entire world. I didn't think none of you were superior to my chosen children, The Slaves from Africa. The best black athlete is far superior to the world as you have been shown through out history and you think Black athletes are special. The African Slaves were and are the special ones, for they

slaved during slavery so that some of their coward descendents who try and train like them will dominate their sport, like Venus and Serena, the only two African descendents playing tennis in the entire world and they dominate the tennis world, that is pure physical superiority over the world, other Black athletic cowards, King Coward Michael Jeffery Jordan, Magic aids Johnson, Jim Brown, Barry, Hank and Rickey, Tiger, not a hundred percent Black and he obliterated the golfing world, Carl Lewis, The Kenyans, Jackie and Marion, the list is infinite. Michael Phelps is the king white slave in swimming, but Michael Phelps has never competed against the superior African Slaves descendents, Blacks. He was and is protected from the superior African Slaves descendents Blacks, by the united states Olympic team, for Michel Phelps would have made the united states Olympic team due to affirmative action, just like whites are using affirmative action to play professional basketball, baseball, football etc., The world is protecting whites feeling, for they are afraid of Blacks dominating every sport in the world, which would make Black seem superior to the world. Blacks are not superior people, they are the superior athletes on the planet, because of Slavery.

That is their retribution for slavery. The African slaves were and are the only superior people to ever grace this planet, similar to heirs to thrones, their not special, they are just lucky to be descendents to the wealthy, like coward Black athletes are lucky to be descendents of superior physicality from Slaves from Africa.

One Nation, Under God, I God said, No sin goes unpunished!

I love the African Slaves because I could never take the abuse they took and neither could you.

I love the African Slaves **because they took abuse for the world** and Jesus so called **paid for the sins of the world.**

What would you do if God said, “everybody will take the abuse his children The African Slaves took.”

Which so call ethnic group, race or nationality think they can take the abuse my children, The African Slaves took from the coward world, Please Step Forward!?

None of you, that’s why you were not chosen. They say **My son Jesus died for the world’s sins yet it is factual that My Beautiful Dark children, The African**

Slaves took abuse and died for the world and every immigrant, to come to America.

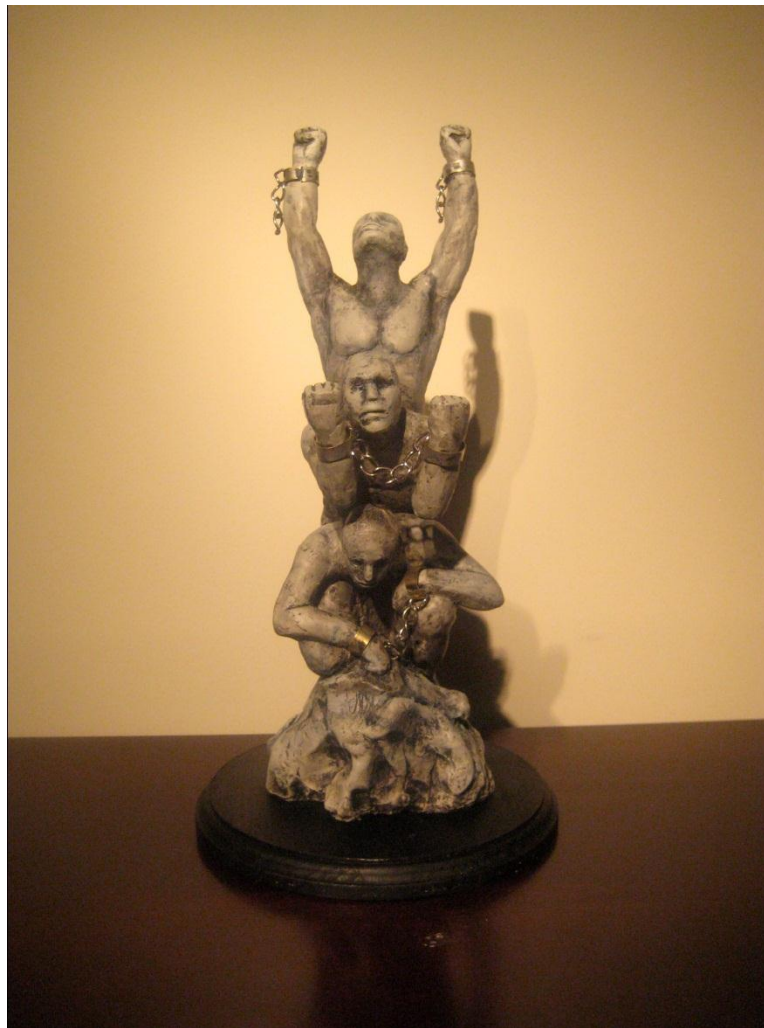

A few of the immigrants who benefited because The Slaves from African took abuse and died for the world are, Jews, Italians, Latinos, Russians, Germans, Africans, Asian, Europeans, Austrians, Indians etc., My children, My Servants from Africa, died and took abuse for the coward human race, they are the saviors of the world, not a stupid Jesus or a virgin Mary. Every immigrant, were begging to leave their country and come to America. My Servants from Africa, were dying to get to the country, they love, Africa, that I, God, Blessed, before Slavery!

This is what the world is suppose to know about my children, The African Slaves. Every parent, you tell your children, terrible things were done to my beautiful children The African Slaves that should not be done to none of my people. My beloveth children, The African Slaves were the hardest working people to ever walk on this planet and they became the strongest people physically and mentally in the world. I allowed them to work for the world because white men were lazy humans. Their reward for working harder than anybody in the world and taking abuse from the world from some of my stupid so call white people, was that **SOME** of their coward descendent Blacks, would be the best athletes in the world **forever**. Everybody in the world, is to try to work and think like my beloveth children, The African Slaves, not athletes or anybody else on tv. No one will ever be able to work as hard as my beloveth children The African Slaves nor be as creative, but those who try, black or white, to work and think like My children the Slaves from Africa, will be easily superior to those who don't try to work like my beloveth children, The African Slaves. There are no so call heroes that can compare to

My children, The Slaves from Africa. You name your hero and I will show that your hero is inferior to my children, The Slaves From Africa, as is the entire human race.

My Children, The African Slaves, are to be Honored, more then anyone, even as much as My so called Son Jesus, who is make believe. How stupid can you Blacks be, believing in something you are not descendent of, that is base on belief and not factuality, when you forefathers and mothers, The Slaves from Africa, die for your ungrateful coward Blacks.

My Children, The African Slaves, were as sinless, as any human could ever be. How dumb can you Black people be, believing and honoring a Jesus, more then your ancestors, The African Slaves!?

They were brought here as African Slaves, not Black Americans, not African Americans, not

Blacks, not people of color. They were brought here as cargo, someone's property, not citizens or employees. I, God punished white people for stealing and abusing my creation of me, God, from Africa.

The World is to honor my beloveth Children just as much as they honor my so called Son or any religious fool. My make believe/fake son Jesus did not come close to taking the abuse my beloveth children, The African Slaves took, that's why some of their coward descendents Blacks, received the gift of physicality over the entire human race, which is envied by the world.

No religion or any historical event compares to Slavery, for religion has many, yet the entire human race is a Slave in some form, that is how pure Slaving/Slavery is and there was only one superior Slave race, African Slaves, that is what the governments , churches, and universities know, for Slavery created what Hitler and no man could create, a Superior Race, called African Slaves. Notice, there descendents, Blacks, are the only true superior athletes of the world.

Question to the coward world, more specifically, coward congress, media, historians, churches, department of education, blacks and whites, why haven't, African Slaves been honored, in this country or world for what they went through/endured and concurred. Because they were and are God's chosen children, who were the elite Servants of God and the religious world knows this. That is why the world have not honored the African Slaves, because they are God's chosen Blacks. Vatican, Christians, Catholics, Jews, Muslims, Blacks Whites and Atheists. My Father God is watching. You will be embarrassed in front of the world! Pre- Judgment Day is here!

It's all the same, only the name have changed, from a slave to employee.

United States Congress I, God, said, no sin goes unpunished!

Now, in 2009, Everybody wants their child to be a slave. Humm!

Whites said slaves were inferior people and they were not human. They can't be educated and they needed to be treated like animals. Now, white people around the world are trying to make their child a slave to entertainment and sports. Why are they trying to make their white child a slave when they have been told and they believed slaves were inferior people? Should their white child now be treated like animals and abused like slaves were? They see the descendents of African slaves, Blacks, making tens and hundreds of millions of dollars through sports and entertainment and they now want their white child to be like Slaves descendents, a potential multimillion dollar *Slave child* for entertainment and sports. **I guess some of their white forefathers and mothers lied to them, when they said, white children can sit on their asses and still be better then My**

Children, The African Slaves! The problem with imitating Slaves is that whites have not acknowledge that Slavery of Africans hurt them severely. ***Slavery still exist with the NCAA taking Superior Black athletes from their Black communities, to their white schools, to make money for them and their white children, just like they did during Slavery.***

This is the updated version of the modern slave trade. Those whites who except they are inferior to The African Slaves will be able to see how Slaves became superior and will get an understanding of how to train their child to imitate the Slaves work ethic to truly achieve some elite status.

Blacks, you are very lucky to be descendents of My Beautiful Children, The African Slaves. If Blacks weren't descendents of Slaves there would be no superior athletes. You ungrateful nigger athletes.!, have been made to be ashamed of your own history for money and you have chose not to honor your own heritage. You are the biggest cowards on the planet and now white children look up to coward Black Athletes. White men have done a great job on you coward black athletes who got your physicality over whites and the entire world from African Slaves. A rich child is not special, just like a black athlete isn't. This is identical to a rich child inheriting millions of dollars. That now, rich child, didn't do anything special. Their just lucky to have rich parents, just like some Blacks are lucky to receive the superior physicality from their forefathers and mothers, The African Slaves. Neither one of you are special. In these cases, the givers are special, not the receivers, meaning The African Slaves are elite as is the wealth parent who earned wealth. The children are just luck basstereds. Why are whites now imitating the work ethic of the very people they abused, conspired against and hated all their lives? They say imitation is the greatest form of flattery. Then The African Slaves must have been superior people. Whites are telling their child or children to good practice and work hard, but what they are suppose to say is to go and work like the African Slaves, because they became physically and mentally superior to the world. They are ashamed to tell their white child to work like slaves because this would make them and their white forefathers inferior to The African Slaves. If they are told to work like Slaves, then this would make The African Slaves superior people, which they were and are.

God's beloveth superior children, The African Slaves, will be honored, if not by the world, then by me, God!

United States Department of Education, Indivisible, No sin goes unpunished. Where are the schools to honor My Servants from Africa?

Second Class Champions- If you have not competed against Blacks who are the superior athletes on the planet then you are not a real champion. I will put an asterisk by every championship of Ben Hogan, Arnold Palmer, Jack Nickalas, Michael Phelps, Lance Armstrong, John McEnroe, Chris Evert, Tiger Woods, Scott Hamilton, NAS AND INDY CARS, TOP FUEL, Michael Phelps, Phelps was protected from Black athletes for he has never competed against a Black athletes,

poor thing, Michael Phelps. Blacks have been banned by the United States Olympic committee, from certain sports for fear of Black total **domination**.

Affirmative Action: Whites have made the world believe that Affirmative Action was created to allow Blacks and other so call minorities to get jobs they were not qualified for, which is a total lie. Affirmative Action was created first for whites in sports, for if whites did not create this secret law of Affirmative Action in the 60's or 70's, Blacks would dominate every sport dealing with the physicality of the body forever, from gymnastics to football. That's why you don't see Blacks represented in swimming, gymnastics, tennis, golf, hockey and other sports. Blacks have been banned from those sports and others. They knew Blacks were stronger when Jack Johnson beat every white man brought before him in boxing in the 1800s. **Finally, they realized Blacks were physically superior to the entire world when Jessie Owens embarrassed Hitler during the Olympics, killing the idea of white supremacy, which revealed Black physical supremacy, which was quickly conspired against by the United States Government and the world.** Every human being needs to acknowledge that they are far more inferior than superior.

I am an elite human being, because I try to work like God's children, The African Slaves who were God's servants in Africa before dumb African leaders gave their work force and protection to white men and I honor The Father God and knowledge.

Look at the people in the lines around the world trying to get a job. They are now begging to be slaves. People coming across the border trying to get into

America to become a **Slave**, *worker,*

helper, hand, *employee. Had the world looked up to my children*

The African Slaves and their plights in the world, they would have seen this situation coming and would not have been fazed by the economic situation the world presently have. They would have chosen jobs that would with stand any economic crises. They would have denounced greed and prepared like animals prepare for hibernation/rough times. Slavery is the most powerful event to ever happen in the world, when you understand it! The world is governed on the

principles of **Slavery**, *forcing people to do things,*

with what they now call laws or rules. Its all the same, only the name have changed, from a slave to employee.

It took me God, to show the relationship between my servants from Africa, who were made slaves, and some were hung by their necks, similar to Jesus. My servants from Africa, who were made slaves for white people around the world, and Jesus, are inseparable, they both were hung, shed blood and rose from what seem to be death. I, God, will strip The Vatican and religion necked, in front of the world, as I did Adam and Eve, for defying me, God. I, God, made the entire human race, physically/athletically inferior to My servants ungrateful descendents, Blacks. I, God, never, authorized slavery, upon my servants from Africa!

Every company wants slaves working for them, not Jesus.

Followers of religion, I, God, said, no sin goes unpunished!

Money can lead to inferiority and make cowards of million and billion
 airs, examples, money has made these Black politicians, Black religious liars,
 “Athletes and Entertainers into cowards and they have all turned their backs on
 their very **own** forefathers and mothers, The African Slaves. Now you will have the
 distinction of knowing a few of these Black cowards. The Black cowards are as

followed, The Black Caucus, NAACP, Michel Jordan, Oprah Winfrey, Bill Cosby, Jessie Jackson, Al Sharpton, Bishop Curry, Joel Olsteen, every Preacher, Pastor, Priest, Rabbi, Harvard, Yale, historians, the lying coward churches and all governments, that had slaves, Bush, Clinton, Obama, are all cowards.

You all have conspired and suppressed the effects of slavery on your white children and the world. You have dishonored God's children The African Slaves by lying about their true legacy in this world and I despise you all for that, but more importantly, you all have conspired against God's plague.

God said, "let me show again the power of my children's descendents in front of the world." Michael Phelps won 8 gold medals in the 2008 Olympics **in which he only competed against whites from around the world in swimming.** God said, "you all have banned my children's descendents Blacks, from certain Olympics and sporting events, yet in still Michael Phelps 8 gold medals is inferior to the three gold medals by Jamaican's Usain Bolt a descendents of Slaves, in the power events, 100 and 200 meter sprint and the 400 meters relay sprints. Usain Bolt blasted every great black sprinter athlete in the world in the same Olympics. **There were only Blacks in the 100 and 200 meters final and the entire white world was represented in track and field during the 2008 Olympics. Think about this!**

There are more than 9 billion people in the world who are not considered Black, the Chinese, Russians, Germans, Europeans, Indians and etc.. and they could not break the plague God put on the world for slavery. Only descendents of African Slaves, Blacks were in the coveted events of the entire Olympics, the one and two hundred meters sprint. That's why God did not give Blacks money for slavery because it is inferior to his gift of physicality over the world, which is envied by the world. Money can be given to you in seconds yet physicality is developed through slaving for years. God gave some Blacks physicality over the world. **That is their true retribution for the abuse and death their forefathers and mothers, The African Slaves endured during slavery.** The world started with physicality, not money.

From Me, Your So Called Savior, Jesus Christ

You all are inferior cowards slaves, in your 2009 world, and because you are getting paid, you are called employees and you all think you are better then The African Slaves, what a bunch of dumb jokers you white **and especially black fools are.** You all are slaves and don't even know it, and you are far from being equal to The African Slaves superiority, for all of you employees, whites and blacks, are coward people. You all are forced to work just like African Slaves were. Stop working and see how long you have your house or car, you all are forced to work, but you all don't fight like African Slaves, that's why you all are abused, and because they fought and killed white men during Slavery, that is one reason African Slaves have not been honored in this country or the world.

Justice for all, I, God, said, no sin goes unpunished. Where is the Justice for the honoring of my children, The Slaves from Africa, Supreme Court Justice, Congress, Department of Education, coward media? You all have not gotten over Slavery. It is not African Slaves fault that Slavery still hurt your white children and the world's children today. Its your white founding fathers fault, not African Slaves!

A successful business becomes elite, only if they have slaves working for them. Where would the world be, without slaves?

Engineers are slaves to their jobs. They have a new name for slaving, dedication or passion for the job. Funny. They don't want the word slave or slaves associated with superiority because it would mean The African Slaves were superior humans and they were and are.

Undercover Slaves. They cowardly imitate the work ethic of The African Slaves and call it either dedication or passion. **It's Okay to be a Slave as long as you are a slave by choice and your not abused.**

A few of the undercover slaves of the world that you cowards look up to
Elite, Superior, Coward, Black Athletes of the entire human race, who are
descendents of **only, my chosen children,** The African Slaves.

These are the most important slaves in the world.

Doctors- We would not become physicians if we were not slaves. We slave to heal
and repair the body.

Teachers- We slave for other people's children.

Architects- We slave to design beautiful things.

Lawyers- We slave so we can run the world.

Engineers- We slave to make the world functional.

Researchers- We slave for epiphanies.

Scientist- We slave for discoveries.

Business people- We slave for money.

Dancers- We slave so we can entertain.

Musicians- We slave for money and fame.

Army, Navy, Air Force, Marine, Seals- we protect the world.

Other Athletes- We slave for money and fame.

Politicians- Politicking or campaigning are the new words for Slaving.

Any body trying to survive in America and the world are slaves.

Etc.. The world is full of slaves and all of these slaves are inferior to the king
slaves, My children, **The African Slaves.**

Slaving has proven to be the highest form of work, physically and intellectually. Slaves have proven to be the best workers. Employees are the lowest form of workers, lazy, overweight and fat.

Freedom and Justice for all, I guess came after Slavery, so I, God, punished the white world and Africa, for using my African Servants, for Greed.

I grew up believing in Jesus, but I work and think like God's superior children, The African Slaves, for no one can ever out work them or out think them, to become as powerful as them, for the world is inferior to The African Slaves, as is I, God, and My so called Son, Jesus Christ, your lord and savior. **My children's savior, The African Slaves, was, and is Me, God, not my Son Jesus, that is how special, The African Slaves were, and are, to Me, God.** You Blacks missed the opportunity of a life time, for the transcriber of my words has

conquered the world without making millions of dollars. He did it focusing on the most powerful event in man kind, slavery, which made the world physically inferior to my children's descendents, now called ungrateful superior black athletes around the world. Slavery created a physical, intellectually and mentally superior race, called African Slaves. Look at the gift their coward descendents received over the world for Slaving for the ungrateful world. As pastor Dr. Charles Stanley of Atlanta Georgia, accidentally confessed, those who serve God will receive the greatest gift from God, that is why African Slaves descendents are athletically superior to the entire human race. I, God, will expose all liars, fools, conspirators and coconspirators.

Stressed out Jesus

If my Son Jesus, some of you all's lord and savior, mistakenly brings a coward to my heavens, where I God enjoy the company of my beautiful, courageous, powerful, superior dark children from Africa, I, God, will break My Son's Jesus Christ, your lord and savior neck, for infesting our heavens, with the worst scent in the world, the smell of you black and white cowards who have not honored my children, The African Slaves, therefore, I, God, will honor them, fore I, God, am inferior to My children, The African Slaves, as is my Son, white women are inferior to my children, The Slaves From Africa and also white men are inferior to African Slaves, black women are inferior to The African Slaves as are black men are inferior cowards to their fore fathers and mothers, The African Slaves. I God have no affiliation with the coward churches and their lying speakers. My beloveth children, My Servants From Africa, who were made Slaves, is, my, God's, Savior.

Bishop Curry, I, God, said, No sin goes unpunished!

My Son Jesus has the toughest job in the world, a trillion times harder than My children, The Slaves From Africa had, fore if he, Jesus, makes one mistake, My wrath will come down on him greater than any, fore My Son has confessed to Me, that he will not save anyone from my planet, fore they are all cowards. I, Jesus, will not risk my existence in heaven to save white and black cowards who have not honored my superior brothers and sisters, The African Slave, especially their descendents, Blacks who have not honored the Slaves From Africa. How stupid can you Black people be? You have allowed your history to die and that is why you suffer unlike no other people on the planet, fore Africa does not suffer more than you coward Blacks, fore they honor their history. You Blacks were descendents of Superior People, My brothers and sisters, The African Slaves who were my Father Servants, and now you are descendents of coward

people, Blacks. My father God have erased any memories of his children's descendents, **fore my father God does not want his children, The Servants/Slaves From African, to know their descendents Blacks, have been made into coward people, fore you now Blacks do not think you are descendents of Slaves.** You are the most confused people in the world, fore slavery is the most powerful event in man kind, **greater then my creation of my world as you see it, fore Slavery created a truly physical and mentally superior race, The African Slaves. That is, Evolution, which I, God instituted, it's called cause and effect. But I never instituted Slaver, on My Servants from Africa.**

Look at how I God punished the entire human race, they are forever inferior athletically to some Black, who are descendents of My Servants From Africa, who were made Slaves for the world! This proves that Black Africans were my chosen children, and that I, God, never instituted Slavery, upon my Servants From Africa.

I have always been proud to be a descendent, of The African Slaves, fore they have been my heroes for thirty years, every since I was about thirteen and will forever be my heroes. I have looked up to other people, even Jesus and God, but my heroes have always been, The African Slaves, fore God nor Jesus worked as hard as The Slaves From Africa as they both have confessed to being inferior to The African Slaves as is the world.

TD Jake, I, God, said, No sin goes unpunished! I God, put a plague on the entire world for Slavery.

Parents, for your child to become elite, you are to tell your children to Honor me God and work like the hardest working people to ever walk this planet, who became the strongest people physically and mentally to walk this planet, my beloveth children, The African Slaves.

The world is cowardly imitating my children and they are not telling you what they learned from Slavery.

Exercising came from slavery. Fitness came from slavery. Elite companies had slaves. **The creations of the superior Black athlete came through slavery.**

Compare what slaves did during slavery, to modern day civilization.

In essences, what African Slaves did was go to the gym and work out everyday they lived, while whites all around the world sat on their asses and laughed. **Who is**

laughing now!? The world is imitating Slaves on a much inferior scales by going to the gym once a month or not at all. There was no such thing as an overweight African Slave. All the so call fitness experts are inferior to The African Slaves. The African Slaves showed them what a muscular body looked like because white men had no concept of muscularity until they saw and felt a Slave physicality around their necks. Do any of you humans, athletes, bodybuilders, fitness cons can exercise like The African Slave! Are you willing to try to work like a slave to be fit!? No one could ever match the duration The African Slave worked and trained. That's one reason why the world is inferior to The African Slaves. You could never work or think like them to over come oppression. ***African Slaves were the most creative people in the world. You have to be creative to overcome oppression.*** You see the fit athletes in basketball, football, track and field sprint events, etc, they are only descendents of The African Slaves. African Slave looked like that, but The African Slaves were more powerful and courageous. That is who the world's children were and are to look up to, The African Slaves, not cowards and make believe hero. That is why so many people in America are phony and cowards, they look up to make believe and cowards people and things.

Dr. Charles Stanley, who served more then the African Slave? So what was their gift, for serving for me God. I, God, punished the world for using my Children, My African Servants, for trying to gain the riches of my World! The entire human race is inferior to the athleticism of African Slaves Descendents, Blacks from around the world. No sin goes unpunished!

The inferiority of money and superiority of physicality.

Money is somewhat important depending on where you live in the world. Remember, money was not always around. Money is new to the world. People traded services and material things to obtain the things the needed or wanted. There was no money. A lot of people did not have money during the Great Depression. They were physically able to move and survive. There is no substitute for physicality.

It's okay to be a slave, as long as you are a slave by choice, and your not abused.

Until the world repent for their Sins against God and more importantly honor The

African Slave for who they were and are, you will continue to be punished for slavery. You are embarrassed about slavery because of the harm your forefathers and mothers cause on your own white children and the world. I will tell them and the world, so they won't be cowards like you, and continue killing their white children with lies of superiority and hopefully, they will tell their children to try to out work The African Slaves so their children can work towards truly achieving some type of elite status.

If the world new the truth about The African Slaves, there would not be so many fat humans in the world. The African Slaves were the fittest people in the world and now you have inferior white men and women trying to imitate the work ethic of The African Slaves by claming to be fitness experts for money. Funny, inferior white men and women. Whites had no concept of a fit and muscular body until they saw African Slaves. **The African Slaves were the original fitness experts and the original body builders**. All physical training done by athletes, armed forces and anybody else today originated from slaves and through slave

These are some of the cruel things that were done to my God's creation of my servants from Africa, by white men and women, in an attempt to break their spirit and will. You coward Blacks are broken with a pack of cigarettes alcohol and a crack pipe. Dame!!!!!! The price of not knowing your history.

Who is superior to my children, The Slaves From Africa?

Bring your resume and lets compare.

Every human, is inferior to my children, The African Slaves, from Bill Gates, to the Bushes, Clintons, Barack Obama, Joel Olsteen, Bishop Curry, Priest, Popes, universities, athletes, every lying religious lairs, Congress, and governments. My slave children were never drunk dogs, like you white and black fools are today. My slave children were not drug attics, like white and black fools are today. My slave children were not overweight, like you lazy black and white people are today. My children were not criminals, like you white and black fools are today. My slaved children were never uneducated like some many of you are

today. My beautiful slave children were sinless unlike you white and black cowards, who are full of filth. **Remember, United States Congress, and the world, if you think you are superior to my beloved children The African Slaves, then your children must be superior to my ace or my wild duce, superior Black athletes from around the world, who are descendants of only African Slaves. They, Blacks, are inferior to their forefathers and mothers as is the world. As I, God said, some of them ungrateful athletic Blacks are just lucky to receive the gift of physicality from their forefathers and mothers, The Slaves from Africa.**

It is an honor to be descendants of my children, The African Slaves and you coward adult Blacks male and female, have been made to be ashamed of my Children, The African Slaves.

I, God, despise you Black cowards like Michael Jordan, Oprah, NAACP, Black Caucus, Black Universities, historians, coward ungrateful black athletes, more than anybody on my planet for not honoring the people who is your personal Savior, The African Slaves, for I, God, do not love my so called Son who so called died on a cross more than I love my children, The African Slaves, which some died hanging by their necks from ropes and experienced every type of imaginable death during Slavery for you coward as blacks, lazy as whites, and ungrateful as immigrants.

If anything, I, God, love my children, The African Slaves, more than my so called Son Jesus, for my Son Jesus will confess with his mouth, that he does not compare to his only brothers and sisters, The African Slaves.

My son nailed on a cross and some of MY Slaved Children from Africa hung with ropes by their necks, are inseparable!

You ungrateful coward niggers, are no better then the white forefathers, who use my children physicality, to try and gain riches, without honoring them. It cost their white children physicality. You black athletes, entertainers, lawyers, doctors and politician, religious lairs are coward niggers, you have no courage, you are coward people. You all did not inherit the bravery of my children, The African Slaves. That is why you are not descendents of African Slaves, who were the braves people in the world, you are now descendents of Blacks, coward people. You killed your black children intelligence, perseverance, and courage, not knowing their true history, which is the world's history, which is the most powerful history.! Notice, the world does not talk about Slavery, because it hurt whites dearly and blacks.

Idolize no false images, Jesus, Virgin Mary are false images. Your Bloodline, reality, which was shed by Slaves for coward Blacks and immigrants to come to America. Before there were employees or workers they were called servants or slaves. Its all the same, only the name have changed.

The Superiority of the African Slaves

This is Pre-K, follow the trail. The SEC football conference is the best in college forever. Why do you think they are the best? Not because of white children are on their football team. That is where most of The African Slaves were. The SEC is where they had all of the slave states. No athletic program is elite without Blacks, the descendents of African Slaves. Tiny white universities like Boise State and Utah rise up using Blacks, the descents of Slaves. The NCAA is now renamed The Nero Collegiate Athletic Association in 2009. It's original name was No Colored Athletes Allowed when it began. It's the cycle of life, the suppressed will eventually rise up and become superior as My children's, The African Slaves coward descendents, Blacks are superior to the entire world athletically, because of Slavery. That is my gift to my children, My Servants from Africa who were made Slaves, for dying and taking abuse from the world, for me, their father, God, unlike my son Jesus, who was a burden to me, for I watched his every move and protected him, where as I God allowed my children, My Servants from Africa, to fend for themselves,

and they truly impressed me, their father God! I God, am only impressed by my beloveth children, The Slaves from Africa. My son Jesus did not impress me, God, like my children from Africa did.

My African children were, and, are awesome, and they are now, with Me. I am satisfied with the company I have around Me, my Son Jesus and My superior children, The African Slaves. They did their jobs on earth. You will honor Them, The African Slaves not their coward descendents Black athletes and entertainers, you will give thanks for The African Slaves taking abuse for the world, not Black athletes, you will have days of remembrance and create schools in Their honor and name, not giving some of their coward Black descendents hundreds of millions of dollars to waste! You intentionally honor the wrong people because you know they won't build schools in honor of My children, The African Slaves. You have chosen to allow a small number of coward Blacks to make millions as a form of retribution for slavery. That's truly funny, white Congress America!, but as I God mentioned, they were given something your money can not buy, nor destroy and that is physicality over the whites around the world. Only I God will destroy it!

Honor my children The African Slaves fore the world is inferior to them, including My Son Jesus and I, God! and stop allowing your children to look up to inferior cowards on television.

*******I God allowed my children, My Servants/Slaves from African, to be sent out into the world without warning of the dangers of the world. They are a billion times more braver then any army who are suppose to have a plan and a leader and many times they fail, yet my children from African, never failed me, God once.**

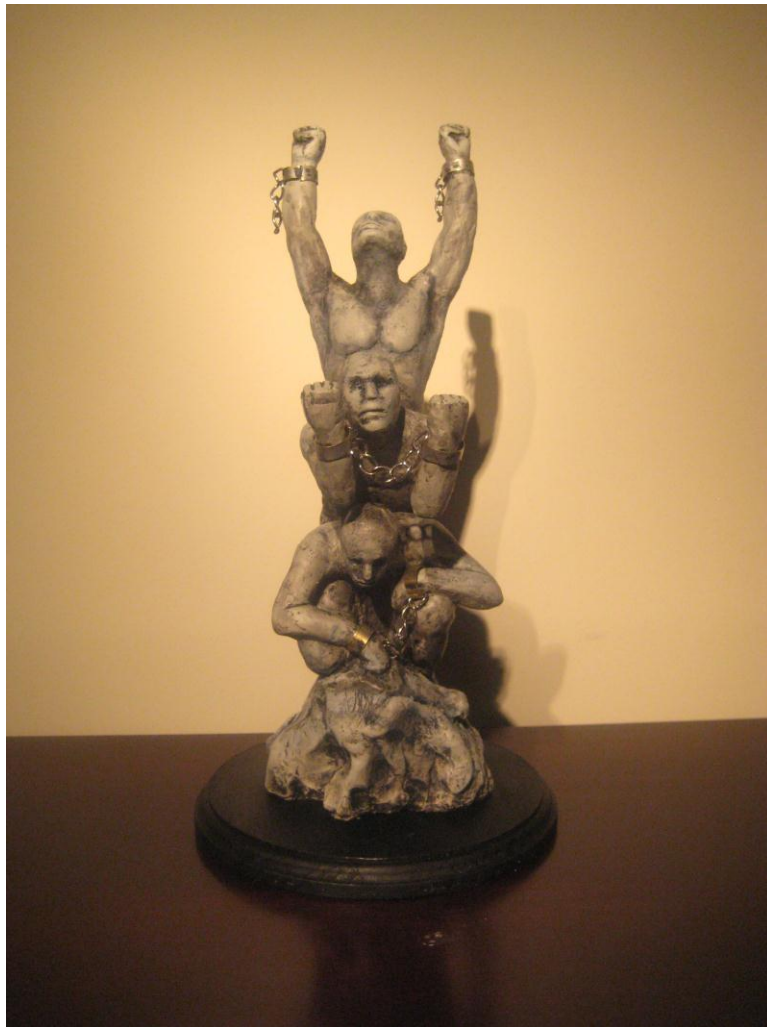

The only mistake I God made, was letting their cowards descendents Blacks, continue to exist on my planet, for they have not honored who they come from, THE ONLY SUPERIOR PEOPLE TO EVERY LIVE, GOD'S CHILDREN, THE SLAVES FROM AFRICA.

Oprah, along with other Black cowards, but more importantly, you Oprah, because you have a voice and have chosen to turn your back on every foremother and father before you. Where is your school to honor Slaves in America, where slavery existed? You chose more millions and fame over my beautiful Black fore mothers and fathers and you have not done a dame thing for them in your home town nor country and I despise you for that. Steven Spielberg and David Franzoni, your movie didn't honor My beautiful children, The African

Slaves, it dishonored them. It made them seem inferior. I, God, will correct that, fore Steven Spielberg's is inferior to The African Slaves, as is David Frianzoni's is inferior to the African Slaves, as is the entire human race.

My children, The African Slaves were brave, courageous, intelligent, rebels, guerrillas, merciful, and they became terrorists because they were terrorized by the **original terrorist of the world, The United States of America,** and when My children, the Slaves from Africa killed white men **during slavery,** I, God, blessed those killings, for those killings done by Slaves were not a sin, it was revenge. They were righteous killings. **My children, The Slaves from Africa were more precious to me God, then my so called son Jesus. I, God, nearly died of sorrow, for what I did to my children, The Slaves from Africa, but my children from Africa resuscitated me, with every killing, of a white man, during slavery, fore I God, owe my life to them. The African Slaves, my children, is, my Savior.**

When you coward Blacks turned your backs on you forefathers and mothers, our father God turned his back you cowards Blacks.

Coward Black athletes led by the **king coward, Michael Jordan** sold out young Black males for more millions. You foolish Black Athletes are not stars in God's eyes. You are stars in *inferior people's eyes*. **The distinction of being stars goes to his children, The African Slaves. As I said, you coward nigger athletes are like rich children, you are lucky to be descendents, to receive The African Slaves physicality over the entire world as the rich child is luck to inherit millions from the rich giver. Neither one of you cowards are special. The one who gave you the gift, is special. You are a bunch of ungrateful coward niggers for not honoring The Slaves from Africa.**

Hollywood: You have chosen to be an accomplice in the burying of the plague I put on the world by creating idiotic distraction of all sorts. What super hero is more powerful than My children, The African Slaves. Where does the superior athlete comes from? I'll tell you, from Slaves. Where is the movie, I Hate My White Forefathers For Making My Children and the world Physically Inferior to some African Slaves descendents, Blacks? You are the king coward industry Hollywood along with the media! Give yourself a round of applause, a standing ovation, for you put on a show, now, give yourself an oscar and an Emmy, for being the true cowards you are.

Inferior Coward Universities, Harvard, Howard, Yale, Princeton, United States Congress, Department of Education and others. Where are your books about the physical superiority of The African Slaves and the true affect of slavery on the world. You are suppose to have historian who analyze history and report their finding. You universities are really cover up universities, not intellectually entities. True intellectuals know they are inferior and can deal with it. You all are inferior institutions.

You have lied to your graduates and the world about history.

**What is buried, will eventually, be unearth!
God's work, will eventually be revealed,!
Religion is a fraud. Notice all religious people are inferior
athletically to Blacks, African Slave Descendents. Blacks come from
Slaves ***not Africa, a stupid Jesus or Virgin Mary.*****

Let me show you all, again, how powerful I, God, am. The world have join forces in an attempt to bury the plague I imposed on the world for slavery, which was the descendents of My Servants from Africa, will forever be the best athletes on the planet, yet in still I allowed an unknown to expose the plague to the world and identify the lying fools who conspired against me, God, and my beautiful children, The African Slaves. In their conspiring against my Servants legacy from Africa who were made Slaves and me God, they have done mental and physical harm to the world's children. None of the so call religious leaders/liars were chosen by Me, God, for if they were, they would have told you all the truth about My beloveth children, The African Slaves and the true affects of slavery on the world, white people and Africa, hundreds of years ago. You all have chosen those fools to lead you'll astray. Now that you know the truth about My Children, The African Slaves, what are you going to do with it?

This message is to all: As I mentioned, you can gain all the money and fame on earth your heart desire, but when you see Me, God, I'm going to ask you, what did you truly do for my people, with the gift I gave you!? I hope you can truly impress Me with your answer!

To the World, get the hell out of church, abandon it, leave it, for they have all lied and conspired for hundreds of years against you and, against my beloveth children, The African Slaves and I despise them all for that, and I, God, will despise you for continuing to support them financially and their lies! They did not tell you all, about the plague on the world for slavery and the affects of slavery on so call white people and the world. They have done irreparable damage to your children and the world! There were never suppose to be over weight people in the world. *****Remember, African Slaves were fit, beautiful, brave and strong.

My Beloveth children, The African Slaves, will be honored, because you are all inferior, to them.

None of you so call whites or blacks cowards are my children, you are unfortunately, my people.

The African Slaves were and are my children for taking the abuse for the world, that's why some of their coward and ungrateful descendents, Blacks, have received the most envied gift of the world, physicality.

So call religious leaders,

Where are the sermons about my children The Africa Slaves. I don't give a dame about white people's feeling. They lied to their children and the world for hundreds of years. White children, ask your parents why black are better athletes than everybody else. They still don't let you train with Slaves descendents unless they can use them.

Question, when the Celtics won the 2008 championship in the NBA, they didn't have one white player on their team playing in the games. When they celebrated, who were they honoring, the team, city, state, Blacks, or Slaves. An all Black team in Boston. Could you have won it without the descendents of African Slaves. Hell NO!

The Lakers had five none black players either starting or playing. Boston, not one white player. Interesting!!!! **Ten billion Chinese do not accept my son Jesus, yet they accept the superiority of Black athletes, who are descendents of The African Slaves.** My son Jesus baths in the sweat of his superior brothers and sisters, The African Slaves, in hope that he Jesus, can become as brave and as strong, as my beautiful dark children, The Slaves from African.

I ask you white and black coward humans of my world, what in the world is beautiful? Is your wife beautiful, your daughter or son, your house, your car, your bank

account, you man made creations? Maybe.

What is more beautiful then my creation of the things in the sky, clouds, sun, stars, moon? What about the world pass the skies that your naked eyes can't see? What about the world's, minerals, soil, plants and animals? What about the thing you can't see, oxygen? How about the beauty of my underwater world. The only thing that is ugly on the earth are you humans. You all are my worst creation.

Gravity's main purpose is to keep the nasty smell of the black and white cowards on my planet from reaching Me, God, and my children, The African Slaves and Jesus. We never want to experience such a smell of cowards in our pure universe, that you all are so curious about. Every star in the sky is not an angle, it's a Slave from Africa. The Sun is the infinity Slave because it works 24 hours a day and it will continue to kill many of you white and black cowards for the abuse it went through during slavery and you cowards not properly honoring them. Many of you white and blacks, fat and skinny, young and old are dying from the sun from heat, diseases, droughts, and unexplained disasters. The slaves now look down on you white and black cowards, fore they earned the right to be in the heavens far away, from their coward descendents, Blacks and lazy Whites.

In the near future there will be an earthquake to swallow you white and black cowards, a winter that will never end, freezing everything in it's radius, a flood to drown everything and everyone in it's path, winds hurling humans miles in the air and fire destroying what ever is left.

My world will be cleansed and void of cowards, which is the worst

smell in the world, so we can live in peace, my son Jesus and my beloveth superior children, The Slaves From African, who were my Servants.

We African Slaves endured being hanged by white Christians for you ungrateful coward niggers. We African Slaves took beating from white Christians for you ungrateful coward niggers. We African Slaves were set on fire by white Christians for you ungrateful coward niggers. We African Slaves shed our blood for you ungrateful coward niggers. We African Slaves killed white Christians for you ungrateful coward niggers. We did all of these things for you, ungrateful niggers around the world called Blacks, not Jesus. We African Slaves, not Jesus, slaved for hundreds of years and overcame Slavery, which gave you physicality and creativity over the entire world, ungrateful niggers. Yet you ungrateful niggers, honor a make believe Jesus/Christian, who did not take the abuse comparable to what we African Slaves endured from the world. We, African Slaves, gave you ungrateful niggers everything and how do you honor us African Slaves, by believing in a Jesus. How stupid can Black people be. WOW!

*******NAACP and the Black Caucus are coward organizations. You coward niggers were suppose to make sure my forefathers and mothers get honored properly. You coward niggers have sold Black history, which is the world's history. You coward niggers have become the Monica Lawinsky of the White House.**

We African Slaves, were never inferior people. We were servants of the father, God, in Africa. Notice that the entire human race, is inferior athletically to African Slaves descendents, now called Blacks. That is how untouchable we African Servants of God were and are. You and the world have not been told that African Slaves were God Servants, because the religious world and whites are Envious that God showed the world that his African Servants were, and are special to him. The world was suppose to follow God's servants work ethic in Africa, not take them to work for white people around the world, instead of working for

God in Africa. That was the biggest theft in the world, steal God's servants from Africa. The entire white world treated and called God's servants from Africa, who were made Slaves for white people around the world inferior, and now the entire white human race and Africans are inferior athletically, to African Slaves descendents, now called Blacks, from around the world.

African Slaves are the producers of the superior athletes of the entire human race.

Christians do not produce superior athletes. Superior athletically DNA, comes only from African Slaves, God's Servants, who were called inferior people. Who's really inferior?

White people do not produce superior athletes. Superior athletically DNA, comes only from African Slaves, God's Servants, who were called inferior people. Who's really inferior?

South America, North America, Europe, Australia, Asia, Antarctica, Africa, do not produce superior athletes. Superior athletically DNA, comes only from African Slaves, God's Servants, who were called inferior people. Who's really inferior?

Catholics do not produce superior athletes. Superior athletically DNA, comes only from African Slaves, God's Servants, who were called inferior people. Who's really inferior?

No human race, produces superior athletes. Superior athletically DNA, comes only, from African Slaves, God's Servants, who were called inferior people. Who's really inferior?
The inferior people are white women and men.

The inferior people are black women and men.

African Slaves, produced the people now called blacks, who are superior athletically to the entire human race, African Slaves were the superior race, as today's slaves, are superior in their field of study. **Slaves** **spend hours trying to master any skill.**

**Slavery made 60 million African Slave descendents,
Black, superior athletically to 9 billion
people on the planet. That is
how powerful
slavery
is!**

Written by God. *The funniest joke ever, was white people, of every nationality, thinking they were superior because of skin color, eye color, hair color, religion, language, and ethnicity.*

I, God, Punished the world for Slavery, and these white and black dogs, listed below conspired against me, God, to protected the feeling of whites around the world. I, God, don't give a damn about whites feelings, for they never care about my children's feelings, The Slaves From Africa.

******Think about this, name one thing, that has been done in the world, to truly honor, the Slave From Africa. Nothing, why?, because the white religions and governments around the world, realized that I, God, love my African Servants, more then anybody ever to grace my planet, and they are*

envious, so they are defying God, and won't give my chosen children, The Black Slaves From Africa, their true place in history, which is above them.

This is how I, God, punished the world for Slavery. Look at the superior athletes in the entire human race, they come **only** from My children, The African Slaves, who the world said were inferior people. How is it, that the people who were called inferior (My children, The African Slaves were called inferior by the entire white world) and now African Slaves descendants, now called Blacks around the world, are superior athletically to the entire white world? **This is my work, God, and this proves to the entire world, that The Slaves From Africa were and are my chosen children. No other people can say they are superior to the entire world in anything, except coward Blacks. I, God, love my brave, courageous, beautiful, honorable, sinless, merciful, superior physically and mentally children, The African Slaves, for my children, The Slaves From Africa, is My Savior. I God, am protected by them. Thank you my children, The African Slaves for saving your Father God by over coming Slavery, for you resuscitated me with every killing of a white man during Slavery.** The world tried to hide behind different religions and a fake savior called Jesus, who is supposedly my son, to confuse the world about the true affects of Slavery on the entire world. **The entire world did not have Slaves From Africa, but the entire world is affected by Slavery, for the entire world became physically inferior to African Slaves Descendants, now called Blacks. Because My children lifted weight, and fought every day during Slavery while the white world laughed, My children became Stronger physically and mentally then the entire world. It is simply cause and effect, which I, God instituted in the world. That's evolution!**

African Slaves descendants, ungrateful Blacks is athletically superior to South America, who also have superior African Slaves descendants.

African Slaves descendants, coward Blacks is athletically superior to North America, who also have African Slaves descendants.

African Slaves descendants, ungrateful Blacks is athletically superior to Europe, who have descendants of African Slaves.

African Slaves descendants, coward Blacks is athletically superior to Australia.

African Slaves descendants, ungrateful Blacks is athletically superior to Asia.

African Slaves descendants, coward Blacks is athletically superior to Antarctica.

African Slaves descendants, ungrateful Blacks is athletically superior to Africa.

African Slaves descendants, no matter which continent or island their on, are athletically superior to the entire world, because of Slavery. That is how much God loves his Servants from Africa, who were made Slaves, which God never

authorized nor instituted.

So how can My children, The Slaves from Africa, ever be portrayed as inferior, when their coward black descendents, are athletically superior to the entire world? **Why haven't The Slaves From Africa been honored by my world? Because,** those in power, around the world, do not want to reveal, **that the Servants/Slaves from Africa, were God's chosen children.** Just look at the gifts their descendents have over the entire human race. It's their retribution, from the Father, God.

These inferior Coward people of Your World have confessed to conspiring against God's work and his superior children, The African Slaves legacy, to protect white people's feeling around the world and to disguise the plague put on the world for Slavery, fore the entire human race was punished for Slavery. I, God, said, No sin goes unpunished!

The Whites and African forefathers, caused the greatest plague of man kind, by taking My African Servants from the forbidden mother continent of the world, Africa, similar to Adam and Eve eating from the forbidden tree of knowledge. Fore punishment entered the world because of one sin and the world became physically inferior because of another sin, greed, for using God's servants, when I, God, gave them their own people to use!

Conspirators against God's work and African Slaves Legacy

1. We, the United States Government/Congress, are guilty of heading the conspiracy against God and his superior children, The African Slaves Legacy.
2. I, Yale University am a coward university and I'm guilty of conspiring against God and his superior children, The African Slave legacy.
3. I, Harvard university am a coward university and have conspired against God and his superior children, The African Slaves legacy.
4. I, Princeton university am a coward and have conspired against God and his superior children, The African Slaves legacy.
5. I Bishop Curry am a guilty coward and have conspired against God and his superior children, The African Slaves legacy. I work against God!
6. I Joel Osteen, am guilty, I am a coward and have conspired against God and his superior children, The African Slaves legacy. I work against God!
7. Yes, we Rabbis are guilty cowards of conspiring against God and his superior children, The African Slaves legacy. We work against God!
8. Yes, we priest are guilty cowards of conspiring against God and his superior children, The African Slaves legacy. We work against God!

9. Yes, we preacher are guilty cowards and have conspired against God and his superior children the African Slaves. We work against God!

10. Yes, we Hollywood are cowards and have always been cowards and are guilty of conspiring against God and his superior children, The African Slaves legacy to spare the feeling of whites.

11. Yes, we so call religious leaders, use The Bible, to conspire against God and his superior children the African Slaves legacy. We work against God.

12. We pastors are guilty cowards of conspiring against God and his superior children, The African Slaves legacy. We work against God!

13. I, Steven Spielberg and David Franzoni, am guilty and we have conspired against God and The African Slaves, for money and we have sold our soul. We Steven and David, work against God! We both are inferior to African Slaves.

14. We, coward black athletes, led by Michael Jordan the king coward have joined in the conspiracy against God and his superior children, The African Slaves legacy, fore we Black athletes are the biggest cowards in the world.

15. We, the media plead guilty of conspiring against God and his superior children, The African Slaves legacy. We the media have always been cowards and inferior people, fore we can not handle the truth.

16. I, the NCAA am guilty of conspiring against God and his superior children, The African Slaves legacy.

17. We, former and present presidents of the United States including Clinton, George Bush and son, former governor Jeb Bush along with president elect Barock Obama are guilty of conspiring against God and his superior children, The African Slaves legacy, fore we do not have the courage to tell the world that we, congress and presidents are responsible for making the world physically inferior to African Slaves and their descendents, Black athletes, during slavery. **White children around the world were suppose to be their own people's servants/slaves, not God's servants from Africa.**

18. I, The United States Congress led the conspiracy and recruited others from around the world to conspire against God and his superior children, The African Slaves legacy, to protect whites feelings around the world. We did not want our white fore fathers and mothers being blamed for making our white children and the entire human population, physically inferior to Slaves and their descendents Blacks, because we did not let our white children go to the gym and work out, lifting weights like The Superior African Slaves did in the fields for hundreds of years during slavery. Slavery and abusing God's

children, The African Servants/Slaves, was the biggest mistake made in man kind, even greater than Eve eating of the apple and Jesus so called death and resurrection.

We, The United States Congress and The Vatican, have not honored The Servants/Slaves From Africa because Slaves fought and hurt us badly during Slavery, and it still hurt us, to this day. We, The United States Congress and The Vatican, do not have the courage to honor God's chosen children, who the world is suppose to look up to.

The cycle of human life, the oppressors descendents, whites around the world, will eventually be oppressed, either physically, mentally or both. No sin goes unpunished, as God showed us, your stupid white forefathers. Slavery was never suppose to happen. Our white children, were suppose to be our slaves, not God's children from Africa. We white forefathers were never suppose to take from the mother continent of the world, Africa, as Eve was never suppose to eat from the tree of knowledge. As God punished Adam and Eve for their sins, God punished the world, for taking from the mother continent, Africa, without his permission. The Servants/Slaves from Africa, descendents all around the world is superior to the entire human race athletically and physically, forever, because of Slavery. Slavery created what Hitler could not create, a superior race called African Slaves. African Slaves became the strongest people physically and mentally to ever live. African Slaves became the most creative people to ever live. They are the people the Father God adores the Most, as does the world now worship some of their talented descendents called Blacks, athleticism, intelligence and creativeness. The African Slaves were and are the models for the world to follow, not their descendents, fool on tv or Jesus.

19. We the church and religion are frauds, we confess, for we are second in command heading the conspiracy against God and his superior children, The African Slaves true legacy to protect the feeling of whites around the world

and how their white fore fathers and mother made their white descendents and the world physically inferior to Slaves descendents, now called Blacks, during Slavery, by trying to gain the world's riches, which they miserably, failed to do. The wealth of the world can never be attain, as mention in the Bible. Trying to attain it will cost you dearly, as it has cost white children around the world, because of the sins of their white forefathers and foremothers greed. Our Father God, love is only for his children, The Slaves From Africa. The Father God is only impressed with the bravery, creativity, mercifulness, sinlessness, physicality and love, of The Slaves From Africa.

20. Yes, we the Vatican have conspired against God and his superior children, The Slaves from Africa, fore we wanted to protect the feeling of whites around the world, because the white forefathers around the world made themselves and their white children physically inferior to the African Slaves and their now coward descendents, Blacks forever. Nothing was ever suppose to be taken from the mother continent of the entire world, Africa. White men did not think God would punished them, but as God said, the sins of the father, falls on their children. African Slaves descendents, Blacks are superior athletically, to the entire human race, including Africa, because of Slavery. No sin goes unpunished, fore I, God, never instituted Slavery upon my Servants from Africa.

21. My servants with dark skin from Africa, was forced to Slave for hundreds of years for white men, women and their children, instead of serving me God in Africa, therefore, I God, gave their descendents, coward Blacks, the greatest gift over the entire human race, physicality, which is the most important characteristic a human can have.

**Everything starts
with physicality,
blood movement,
breathing, thinking,
movement of the body
and its parts.
Physicality is everything!**

I God, in the middle of my two dark servants, who protected me from white men, looked white men in their faces and vowed to my servants, that I God will remember the colors of their eyes, hair, skin, their language, their religion, and I will punish them forever for what my servants endured from white men and Africans. I God watched every event during slavery and I God turned up my loath for Africans and white men and women involved in slavery and those whites who thought they were superior because of a skin color.

Ask yourself this, why don't preacher, pastors, rabbis, priest, and everybody else talk against what they see on television and hear in music, because they are now on tv and now making cds/. They have sold their soul for a little notoriety and money! Why don't Black religion talk about slavery. They have no clue about history or God. The bible is outdated. This is pre judgment day.

For the record

***United States Congress has confessed to being inferior to my children, The Slaves From Africa.**

***The Declaration of Independence is inferior to these writing.**

***The Bible is inferior to these writing.**

- *The United States Constitution is inferior to these writing.**
- *The Slaves fought and killed for their safety in their respective country and God blessed every killing done by his children, The African Slaves.**
- *The United States Department of Education has failed the people and their children, by covering up the effects of Slavery and what was learned from Slavery.**

The African Slaves became rebels, guerrillas, and terrorist, but the United States Government were and are, the original terrorist of the new world, ask the Indians, and The African Slaves, who became terrorists because they were terrorized by the original terrorist of the New World, The United States of America.

I, God, and my so called son Jesus , are inferior to my beautiful black chain wearing children, The African Slaves, for that is what it took to hold them and control them. That is how powerful my children were and are. I, God, despise all of my children's grown descendents around the world, Blacks, for Blacks around the world have been made to be ashamed of my superior children, The African Slaves and Blacks today in 2009 think they are better than my superior children The African Slaves. No other so call race on the planet produce superior athletes like African Slaves and now these coward Blacks think they are better than my children, The Slaves from Africa, who gave them their physicality over the entire world. Ungrateful Niggers, that's what you all are!

You Black athletes, lawyers, doctors, teachers, entertainers, unemployed, uneducated, would be nothing, if you didn't come from My children, The African Slaves. Only inferior people look up to you professional cowards. All so call race of humans are and will forever be inferior to God's beautiful dark physically superior, no name, chain wearing children, The Slaves from African. It took me God to reveal how special my children from Africa were and are to me.

You coward Blacks have allowed lazy white men to make you coward Niggers disassociate yourselves from My children, The African Slaves, from which you come from, and that is fine with me, God, fore I, God, have disassociated myself from you coward Blacks, and you lazy Whites, I disassociated myself from you along time ago and the rest of you dog humans for not honoring my children, The Slaves from Africa.

*Some of you lazy white people around the world now **worship my children, The***

African Slaves secretly, fore I, God, see how you white cowards trying to imitate my beautiful dark children's work ethic, fore you lazy white cowards around the world realized, you all made yourselves physically inferior to African Slaves and now, Black athletes, and now you lazy white's are trying to catch up.

You stupid Blacks of the world fail to realized that it was and is an honor to be a descendents of my chosen beautiful, brave, courageous, honorable and powerful children, The African Slaves.

Now stupid white and black men and women now allow their children to look up to Blacks and Whites they see on television because they are supposedly rich Slaves, when in fact, I, God, gave the only role models for the world, my Powerful and creative children, The African Slaves and your Savior. Your white and black children now look up to cowards of your world.

You white people are a joke, your white children now wear and called themselves Black peoples name because they are millionaires. Those same Black millionaires are descendents of my children, The Slaves From Africa. The world's children are suppose to look up to My children, The Slaves From Africa, not anybody else children. Now children look up to coward athletes (black and white) singers, cartoon characters and anything they see on television. The world's children is becoming mickey mouse children, confused, sorry and lazy humans.

The world was suppose to be told that my children, The African Slave were and are the only superior human beings to ever live. Simple, ask yourself, why are coward superior Black athletes, superior to the entire human race? That is how much I God adore my children, The Slaves from Africa for over coming Slavery. I God, am forever in debt to my children, the love of my life, my Savior, The Slaves from Africa. *Notice that Africa, does not create the athletes, African Slaves create, nor does any other continent!*

Nothing Goes Unpunished

You wonder why I send hurricanes from Africa, to destroy what you have built on the backs of my children without honoring them. It is **retribution** for Africa. I am God, nothing goes unpunished, fore I God, punished Africa, for sending my children through out the world. African Slaves were and are My Children, imagine how special they are, fore, I made the world physically inferior to Black athletes around the world, who are descendent of my children, **The African Slaves**, who has been characterized as inferior people. I God will correct that, fore the only inferior people are you cowards who live and occupy my planet today.

My children were and are, dark, beautiful, superior, courageous, brave, tough, slaving, strong, creative and sinless. The rest of you all are cowards and live a pretense life. How long will you remain a coward!

The same word whites used to describe My children from Africa around the world, which was inferior, will be used to describe whites around the world who had slaves, they are now and have been for centuries physically inferior to cowards Black athletes who are descendents of slaves. The cycle of human life, those who think they are superior will be inferior as I have shown. Slaves from Africa were never inferior, for their descendents Blacks are superior to the entire world athletically.

I hear nothing, because you cowards are all speechless.

We servants of God from Africa, were forced into Slavery for white people around the world, we were not Christians, we were not Catholics, our children did not have a religion, they were born into Slavery for white women, white men and their children. Fake religions.

When you listen to a historian, you are seeing and listening to a coward and conspirator, walk out on them.

When you listen to a preacher, pope, bishop, pastor, rabbi, priest, any religious liar, you are listening to a coward, conspirator and lying fool, walk out on them.

When you see so call professional Black athletes you are watching cowards, never attend their games again.

When you watch fake movies about fake heroes you are making your *child or children inferior human beings*. Hollywood and Disney have made billions of children inferior with inferior heroes like stupidman. Superior people deal with real life, not pretense.

Which one of your children will be the next inferior child who doesn't know about My superior children, The African Slaves.

Notice in these writings my child does not talk about giving and giving and giving to the church. The **Church is the biggest scam in the world. No so call religious leaders has done God's work, fore they have not mention any thing about The African Slaves, and the affect of Slavery on the world, because they are cowards, fore God does not choose cowards to do his work, you human choose cowards to do your work.**

Fore I God love my superior Black children, The African Slaves for taking abuse from the world for Me, God so much, that I gave some of their descendents, who are now call Blacks, physicality over the entire world for the world to envy! That is Blacks true retribution from God, **notice that no trillioairs, billionairs, millionairs so call royal families, first families children can compare to my Servants, African Slaves descendents, athletic coward Blacks.** This is my work, God, and it has been suppressed by the world until **now!** The world is suppose to look up to the three entities, My strong, brave, beautiful dark children, The African Slaves ***for slaving and fighting for the world, education,*** and of course me God, for the world is inferior to **The Three Entities?**

Its all the same, only the name have changed, from a slave to employee.

I God have honored my beautiful dark children, The African Slaves, and it feels good! Thanks My Chosen One, for having the courage like my children, the Slaves from Africa to reveal my work, unlike coward so call religious leaders of my planet, who are actually religious liars. **A few cowards religious liars are The Vatican, Joel Olsten, Bishop Curry, TD Jakes, Dr. Charles Stanley, Harvard University, Yale University, United States Congress and Education, movie industry, historians, scientist, researches, Disney creating inferior movies, Blacks and Whites dogs of the world, etc.,. The list is endless.**

Religious liars have chosen to be on television over doing my work. I God, have not chosen any of the coward preachers, pastors, reverends, priest, popes, cardinals, rabies, you see on television to do my work, for they have chosen to conspire against me God. **They spew the same garbage out of their mouths day after day, year after year, decade after decade, century after century about a**

Jesus, my so called Son, who is inferior to The Slaves from Africa, My Children, as is the entire human race. No longer will the world preach about my so called Son Jesus, who I God had to keep from harm, without speaking and honoring, **the love of my life,** My physically and mentally superior children, The African Slaves. You ignorant fools believe my son paid for your sins, yet it is factual that my children, the Slaves from Africa died, took abuse and killed in this world, which made it possible for every emigrant/immigrant to step foot in America. **I God, am now forever, in the presence of greatness, being amongst my superior children, The Slaves from Africa.**

Every follower of a church or any religious sect, ask your so call religious liar to tell you about Slavery, or My Children, The African Slaves, or the affects of Slavery on the world. **They can't, because I God, did not reveal it to them fools.** Why don't the world talk about Slavery and the African Slaves? Is it because Blacks are present today and the world is afraid? Idiots will say Slavery is in the past, then I will tell those idiots the Bible is in the pastest, meaning the Bible is much older then Slavery, yet you all still live according to the old, old Bible or some old religious book! You talk about the Bible because no one is here present today in the world, from the Bible. This shows that your world is really a coward world, consisting of cowards talking about something no one really knows about. Talk about Slavery and the affects of Slavery on White people, Black people, and the entire world, for slavery affected the world more then Eve eating of the apple and My Son paying for the world's sins.

No other event in history changed the balanced of power like slavery, fore slavery made My children descendents, Blacks, physically superior athletically to the entire human race. Once you understand Slavery and the effects of Slavery on the world, and how slavery still exist today in different forms, the world becomes Pre-K, very easy, as it has become for the one I chose to transcribe my words, who loves my children from Africa, more then me, God.

Billions of people around the world do not recognize the Bible nor my Son Jesus, nor religion, but the entire world recognize that Blacks are superior athletically to the entire world, who are descendents of My children, the Slaves from Africa. **Slavery, affected the world, more then any event, ever,**

in history! Why, because the world abused my beautiful dark children, The Servants/Slaves from Africa trying to gain riches, which cost them dearly. As some of you men and women care about your children, imagine how I God felt, when you Dogs of my world whites and blacks abused my children, The African Slaves, fore the world doesn't know that African Slaves killed more white men then any war in history. I say Blacks because Africa had a hand in the abusing of my children, the Slaves from Africa. I, God, punished their asses too. I God did not send aids to Africa, it was done by scared white governments around the world.

The world covets the talents of my children descendents, Blacks and the world also, still conspire against my children descents, Blacks, fore I God do not give a dame about conspiring against Blacks, fore Blacks and the world, think they are now better then my children, The African Slaves. I God, only care about the conspiracy against my work on my planet and the legacy of my Physically and Mentally superior beautiful Children, The Slaves from Africa, and I God, care about nothing else on my planet!

- 4. Who is the stupid race of people? The Human Race for being cowards and believing in false religions. We are all servants, whether self servant or you serve others.**

You White and Black Cowards Had Many Opportunities To Honor My Children And You Inferior White and Black Cowards, Chose Not To.

It took me, God, to honor my servants, who were made Slaves from Africa.

The words of the one and only genius, God, transcribed through a sinner, a lover of God's children, The Slaves from African, David Givins.

Jesus Christ is the Savior of the world, is a Scam/Fraud! Therefore Christianity is a Scam/Fraud as is religion.

The idea of someone paying for the world's sins does not make sense. There are

billions of people who have not committed sins so what was the purpose of his death. An unborn fetus did not sin, nor does a one, two, three, four, or five year old. Paying for sins does not make sense. If he died for the world on a cross, **then when I compared him to the African Slaves who died from every imaginable death during Slavery, who were also sinless and were servants of God, their blood was shed, then the African Slaves is Blacks Savior and the world's Savior, for they, the Slaves from Africa were sinless and died from every imaginable death during Slavery, so that ungrateful blacks, whites and immigrants, could have a better life.** If only ten percent of the world believe in Jesus Christ, then how can one being be the savior for the entire human race. Asia does not believe in Jesus, are they going to heaven? There are many saviors of the world, just as there are many ethnicities or races and, languages, but there is only one supreme being, which I was raised to refer to him as God and one superior slave race, The African Slaves.

The Book of God.

I, God, the creator of all things, living and none living, allowed white foreigners to enter the Mother continent of my entire planet Earth, Africa, and they along with Africans took My Servants from my Mother continent, without my authorization to do work for white foreigner around the world, who were suppose to use their own people to do their physical work so there would not be a physical superior athletic race today called Blacks. I, God, all knowing, saw that the world needed knowledge of how to use its people to develop its country, which would balance the power of the human physicality, so that is why, I allowed white foreign explorers to grace Africa, with the intent of learning from My mother continent, how to use their people efficiently. White foreigners were suppose to gathers knowledge from the mother continent and spread the gospel of how to use the people efficiently so that countries around the world would develop and prosper like Africa. Stupid African leaders, sent my Servants, who were as happy as a fetus/baby in its mother's womb, with white foreigners to strange lands around the world to do white foreigners work instead of God's work in Africa. This was and will forever be, the greatest sin of them all, stealing from Me, God, my

Servants/my property, from Africa, to make them Slaves for white men, women and their children and treating them inhumanly.

Therefore, I, God, instituted a life sentence of physical inferiority, on the entire human race, meaning, African Slaves descendents, now called Blacks, African Americans, People of Color, around the world, will be superior athletically to the entire human race forever and the world's children white and black will aspire to be like Blacks, Africa Slaves descendents, which will be a huge mistake! The world is punished for using my Servants, who were stolen from my Continent, Africa, to do white men's work, instead of My, God's Work in Africa. The entire human race, is physically inferior to African Slaves descendents, forever, because of Slavery!

Understanding reality will allow you to dominate the future, believing in fantasies like Jesus, Virgin Mary, Elijah Mohammed, catholic churches, that feast on boys sexually, will make you confused, weak and stupid. No religion has done God's work. The only pure religion that there is of the human race is

being a **servant** of God first and people

second. The highest form of work is being a Slave, which history has proven to be true, for those who have slaved have become elite.

The Roman Catholic Church, you need to disassociate yourself from The Father God, fore your feast on children SEXUALLY and the only proven resurrection was that of the African Slaves, not a fake Jesus. **Jesus has no Bloodline, pedigree, lineage, or DNA.**

This is one of the things done to a race of people from Africa that made them superior physically to the entire human race. They were forced to do physical work for 10-15 hours everyday including Sundays. They are superior to God, for God, had to rest on Sunday. My Father God laughed at that sentence. They were the superior race. The symbol of superiority, God Servants from Africa, who were forced into Slavery, the same principle, all forms of governments, are governed by today and forever

Workers of ancient time were called servants or slaves. They were the people who did the physical or hard labor, slaves and servants did the light work, house work.

Servants from Africa was forced into a life of slavery for white people around the world. They did physical work for 10 15 hours a day for 7 days.

Today's workers are no longer called slaves because of the brutality African Slaves endured, nor can they work like the superior race, African Slaves.

The word for a worker has evolved from the Superior worker Slaves to inferior names like helpers, hands, laborers, assistants, and the lowest form of a worker, employees.

African Slaves worked longer and harder than any race in history, no matter if they were brutally forced to do it. Now the world is begging to be a worker.

African Slaves are the only producers of superior Athletes. The rest of the races just have athletes.

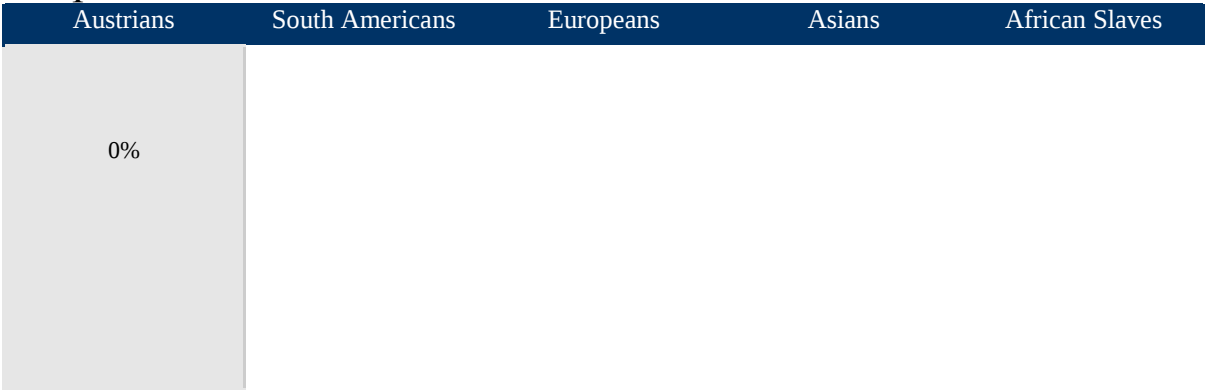

In order for anyone to be elite intellectually or athletically, the father God made sure they have to imitate the work ethic of the Superior Slave Race, The African Slaves.

Why haven't they been identified as the Superior Race, the most special people to the Father God?

The white rulers of the world are **envious** of the gift toward Blacks received from God over the entire human race, **physicality** over the entire white race and Africans.

That is how special The Servants from Africa who were made Slaves for Whites around the world are to the Father God.

Superior Athletes comes from the bloodline of African Slaves

Hitler wanted to use the 100 and 200 meters sprints in 1936 Olympics to determine the superior race.

This
which

Slavery made 60 million African Slave descendents, Black, superior athletically to 9 billion people on the planet. That is
