

We African Slaves endured being hanged by white Christians for you ungrateful coward niggers. We African Slaves took beating from white Christians for you ungrateful coward niggers. We African Slaves were set on fire by white Christians for you ungrateful coward niggers. We African Slaves shed our blood for you ungrateful coward niggers. We African Slaves killed white Christians for you ungrateful coward niggers. We did all of these things for you, ungrateful niggers around the world called Blacks, not a stupid Jesus. We African Slaves, not Jesus, slaved for hundreds of years and overcame Slavery, which gave you physicality and creativity over the entire world, ungrateful niggers. Yet you ungrateful niggers, honor a make believe Jesus, who did not take abuse comparable to what we African Slaves endured from the world. We, African Slaves, gave you ungrateful niggers everything and how do you honor us African Slaves, by believing in a Jesus? How stupid can Black people be? WOW!

We African Slaves, were never inferior people. We were servants of the father, God, in Africa. **Notice that the entire human race, is inferior athletically to African Slaves descendents, now called Blacks. That is how Precious we African Servants of God were and are.** You and the world have not been told that we, African Slaves were God Servants because the religious world and whites are Envious that God showed the world that his African Servants were, and are special to him. The world was suppose to follow God's servants work ethic in Africa, not take them to work for white people around the world, instead of working for God in Africa. That was the biggest Sin of man kind, stealing God's servants from Africa, to do work for white people. The entire white world treated and called God's servants from Africa, who were made Slaves for white people around the world inferior, and now, 2009 and forever, the entire white human race and African, are inferior athletically, to African Slaves descendents, now called Blacks, from around the world. That is Evolution, which is also God's work. **I, God, punished the world for stealing, using and abusing my servants from Africa. No Sin Goes Unpunished!**

African Slaves, are the only producers, of the superior athletes of the entire human race.

Christians do not produce superior athletes. Superior athletically DNA, comes only from Africa Slaves, God's Servants, who were called inferior people. Who's really inferior?

White men and women do not produce superior athletes. Superior athletically DNA, comes only from Africa Slaves, God's Servants, who were called inferior people. Who's really inferior?

South America, North America, Europe, Australia, Asia, Antarctica, Africa, do not produce superior athletes. Superior athletically DNA, comes only from Africa Slaves, God's Servants, who were called inferior people. Who's really inferior.

Catholics do not produce superior athletes. Superior athletically DNA, comes only from Africa Slaves, God's Servants, who were called inferior people. Who's really inferior?

No human race, produces superior athletes, that includes you coward Blacks. Superior athletically DNA, comes only, from Africa Slaves, God's Servants, who were called inferior people. African Slaves, are the only producers of superior athletes, not Blacks. The inferior people are white women and men.

The inferior people are black women and men.

African Slaves, produced the people now called blacks, who are superior athletically to the entire human race. African Slaves were the superior race, as today's slaves are superior in their field of study. White men and women abused my creation of dark people and thought it to be funny.

The sins of the father falls on the children. No sin goes unpunished. The entire white race is athletically/physically inferior to African Slaves descendents, Blacks, because, of Slavery. Slavery was and is still cruel, to Whites and Africa.

Our father God, promised us, his servants from Africa, who were made slaves, that he would punish the entire human race, for taking us from our home land Africa, to do white people's work. Our father God has shown the world, that **He loves us, but the world has conspired against it.** We servants, who were made slaves, **produce the superior athletes of the entire human race, called Blacks.** Our father God chosen one, will get the honoring, that we African Slaves deserve. **Created by God, through David Givins 5-20-09.**

It took me God, to show the relationship between my servants from Africa, who were made slaves, and some were hung by their necks, similar to Jesus. My servants from Africa, who were made slaves for white people around the world, and Jesus, are inseparable, **they both were hung, shed blood and rose from what seem to be death.** I, God, will strip The Vatican and religion necked, in front of the world, as I did Adam and Eve, for defying me, God. I, God, made the entire human race, physically/athletically inferior to My servants ungrateful descendents, Blacks. I, God, never, authorized slavery, upon my servants from Africa!

All the hell we went through, for you ungrateful niggers, was not worth it. How could you stupid Blacks be made ashamed of what we overcame for your coward asses. You allow your Black children to worship fake heroes instead of true warriors, fighters, geniuses, creative, merciful and sinless people, their fore fathers and mothers, The African Slaves, who were God's servants in Africa. We fought for you coward Blacks to have everything, and you ungrateful niggers pay us back, with nothing. What a coward race!

The world saw us hanging by our necks and the thought we African Slaves were inferior people, thanks, the chosen one, for letting the world know, we killed 50 white men apiece during Slavery, before they caught us. We Africans were servants of God, in our homeland Africa, and we evolved into terrorist, in the United States of America, for America, were terrorist, themselves. By the father, God, through David Givins, a lover of God's servants, The African Slaves and Jesus. See the similarities. Their inseparable.

I, God, vowed to my servants from Africa, who were sent into slavery by Africans and white men, to punish the entire human race, for the hell they endured, for the ungrateful world and more importantly, their coward, classless, ignorant, descendants, Blacks, from around the world, who have been made to be ashamed of the people who gave their sorry as life, the love of my life, the people who have not been honored, The African Slaves. I, God, will strip The Vatican necked and embarrass the entire human race, blacks and whites for defying me, God. I, God, never instituted nor authorized Slavery, upon my servants from Africa. You ungrateful niggers around the world us my servants physicality that they Slaved for and passed down to you coward niggers through their DNA for hundreds of years, to make million and billions of dollars and not one of you classless, coward,

ungrateful niggers, have honored my servants, who were made slaves from Africa, in front of the world. You Blacks around the world have become the cowardest people in the world, being made ashamed of my Servants from Africa, for I, God, embarrassed the entire white race for calling my Servants inferior in front of the world and abusing them. African Slaves descendents, coward Blacks, are athletically superior to the entire white race, because of Slavery. No one was suppose to touch my Servants from African and make them do work for anybody, especially when they had their own white children who sat on the asses and became lazy. The Vatican is a Fraud, as is Jesus and religion. The world is full of servants/slaves, but no one served or impressed me God, like my servants, The African Slaves, the love of my life. The world will soon be stripped necked and the truly inferior people will be identified.

I, God, punished the world, for stealing and abusing my personal servants from Africa , who were made slaves, to do work, for white people around the world, instead of God's work in Africa. I, God, made the entire human race, athletically inferior to African Slaves descendents, ungrateful Blacks, because they did the work, white people were suppose to be doing for hundreds of years. I, God, never, authorize slavery upon my servants in Africa. The Vatican/Church, all conspire against my servants legacy, from Africa, fore they are envious of the love I, God, have shown to my servants, fore the Vatican, refuses to honor them.

A few of the well known ungrateful, classless, coward niggers who use the gifts their savior, The African Slaves, who were God's servants gave them over the world without honoring them are listed below. A few of the coward niggers are

Black Churches, we went through hell for you dumb niggers and you believe in Jesus, WOW! You dumb niggers never ask why we African Slaves have not been honored. We were shown more love, by the Father God, then any white man, even more then Jesus, just look at the gifts you coward niggers have over the entire human race. The whites in power are envious of the love God showed his servants from Africa for overcoming Slavery, which he, God did not authorize.

These are the love of my life.

No Sin Goes Unpunished. The Sins of the Father, Falls on their children.

I, God, said it, and meant it!

My servants from Africa, were so special to me, God, I made the entire human race
athletically inferior to their ungrateful descendents called Blacks. That's a resurrection!
